

Majors, Minors & Specialisations

if your program has a major, minor or specialisation it is your responsibility to make sure this has been recorded correctly. Please log on to your [Student Centre](#) and navigate to **Student Centre > My Academics > My Program** to view all recorded majors/ minors/ specialisations (see example below)

Please note:

If upon checking, you discover that a major/ minor/ specialisation is missing from your record or there is one appearing which is not supposed to be there, you will need to apply to add it to/ remove it from your academic record by completing a [change of course form](#) (to be submitted directly to your school) to have your record updated to reflect the addition or removal of the major, minor or specialisation in question.
