Week 2 (24 Feb – 28 Feb)

**Note taking and time management**  
Wednesday 26 February | 12.30-1.30pm  
ND21/101

Get some strategies for preparing for lectures, taking notes and listening at the same time and all the other superpowers that will help you succeed at University

**Success with IT and the Library**  
Thursday 27 Feb | 12.30-1.30pm  
ND17/110

Did you miss the Library session on O-Day? Come and learn about how to use our services (booking study rooms, using your library account) as well as how to easily find books, eBooks and journal articles. This session will also cover IT hints and tips to set you up for the semester, like connecting your device to wireless networks.

*Registration required
**Week 3 (3 Mar – 6 Mar)**

**Introduction to Academic Writing**

Tuesday 3 March | 12.30-1.30pm  
ND11/202

By the end of this hands on workshop you will have learnt the basics of the academic writing process, learnt how to plan and draft your assignments, and learnt how to integrate references into your writing.

**Note taking and time management (repeat)**

Wednesday 4 March | 12.30-1.30pm  
ND21/101

Get some strategies for preparing for lectures, taking notes and listening at the same time and all the other superpowers that will help you succeed at University.

**Week 4 (9 Mar – 13 Mar)**

**APA Referencing: A Beginner’s Overview**

Monday 9 March | 12.30-1.30pm  
ND17/110

Learn the basics of APA referencing style, how to use it in your assignments, and shortcuts to save time. Get familiar with support resources, including the University’s APA Referencing Guide. Questions welcome!

* Registration required.

**Week 5 (16 Mar – 20 Mar)**

**Effective Searching Strategies and Techniques**

Wednesday 18 March | 12-1.30pm  
ND17/110

Are you searching Summon or a database and not getting the results you expect? This workshop will equip you with effective techniques that can significantly improve your search results.

*Registration required.
**Week 6 (23 Mar – 27 Mar)**

**Introduction to RefWorks**

Wednesday 25 March | 12-1.30pm
ND17/110

RefWorks is a tool that can help you manage, store and share all types of information. This workshop will show you how to create an account, navigate around RefWorks, import and create citations and a reference list or bibliography.

Registration required.
