

## Research Student Study Program

According to Research Degree Regulation 11, effective from 1<sup>st</sup> July 2012, research students must complete a **Study Program**

- 11.1 On admission to a degree, a student shall develop, in conjunction with the appointed Supervisor, a study program satisfying the requirements of the degree and specifying the timetable for its completion.
- 11.2 The Dean of the School must approve the study program.
- 11.3 A student must follow his/her approved study program.
- 11.4 Changes to a student's approved study program may be made at any time, subject to the approval of the Dean of the School.

Below is a table of compulsory inclusions for your Study Program. You may also wish to include other key events not listed here but which are important for your discipline or project. The final column enables each key event to be ticked off as it is met. Please note that timelines will vary depending on the degree taken and mode of study (whether full time or part time).

Key Events	Estimated Due Date <i>Month / Year</i>	Comments	Approved Changes	Estimated Date Met?
Supervision Expectations Questionnaire, and discussion				
Coursework Commences (if applicable)				
Coursework Complete (if applicable)
