WELCOME TO NOTRE DAME’S SCHOOL OF BUSINESS

It is my privilege to introduce you to School of Business. As a community, the School of Business is a tapestry of disciplines and practices, represented by a wide range of stakeholders, bonded by facilitating and assisting our students to develop and challenge themselves throughout their higher education journey of self-discovery. As one of my colleagues puts it, we aim to develop ‘cool minds, warm hearts’ as we encourage and help the community to make sense of business and commerce by applying both faith and reason in searching for, and finding, truth and wisdom in a ‘post truth’ era heavily skewed by opinionated theatrics, particularly through social media.

Our staff and industry contributors enthusiastically share their knowledge, expertise and experience with students, both as leaders in their respective academic areas and as experienced mentors. While our programs are faith-based, anchored in philosophy, ethics and theology, they are complemented by a personalised delivery and ensure students are work-ready through a compulsory internship. Our students rate the Notre Dame experience as excellent (see qilt.edu.au), reflecting the atmosphere of creativity and belonging for hundreds of young people at the West End of the City of Fremantle.

There is so much more to be said about us and I would love to personally respond to a query you may have. Ultimately though I hope to personally welcome you as a member of The University of Notre Dame Australia, Fremantle, School of Business in the near future.

AN EXCEPTIONAL EDUCATIONAL EXPERIENCE
Independent nationwide surveys by the Federal Government rate us the leading university in WA for a range of Quality Indicators for Learning and Teaching in Business and Management: Overall quality of educational experience, Learner engagement, Teaching quality, Skills development and Graduate employment (qilt.edu.au).

PERSONALISED APPROACH
At Notre Dame we know that you are a person, not a number. Our personalised approach starts with our admissions process which is based on more than your ATAR score. It considers your personal qualities, motivation to study and academic potential, your contribution to school, church or community life and your academic record. An interview with an academic member of staff gives you the opportunity to fully explore your study options.

In our deliberately smaller lecture group sizes, you learn more, are heard more and have more one-on-one contact with academic staff.

LEARNING TO THINK, CRITICALLY AND CREATIVELY
In today’s world, thinking critically and creatively are essential life skills. These equip you with an increased ability to think and reason – to think big – a vital advantage not only during study, but throughout your life. Notre Dame’s Core Curriculum courses – Philosophy, Theology and Ethics – encourage you to expand your mind and develop critical thinking and reasoning skills.

REAL-WORLD EXPERIENCE
Internships, professional placements and volunteering opportunities set you up for life beyond university. At Notre Dame, you will learn from academics who are industry leaders. Through our practicum placements and internship programs, you will graduate with industry experience on your CV – a real advantage in getting the job you want.

FREMANTLE IS OUR CAMPUS
Notre Dame’s foundation Campus is located in the historic West End of the port city of Fremantle. Housed within beautifully restored heritage buildings, it provides a ‘town university’ of great character. The iconic Campus is close to the Fremantle Harbour, cafés, shops and the famous ‘Cappuccino Strip’, and all major transport hubs.

Check the Federal Government’s qilt.edu.au website to see how Notre Dame compares then call us on 08 9433 0533 or email future@nd.edu.au so we can answer all your questions and help with your application.
PHILOSOPHY seeks to find the truth about humanity, God, our world and our conduct. At Notre Dame, we study Western Philosophy, using texts and methods of inquiry and reasoning developed over centuries by some of history’s finest critical minds.

ETHICS explores key elements such as human purpose and happiness, needs and rights, virtues and duties, justice and charity. Examines what it means to know and do what is good.

THEOLOGY explores the greatest of all questions, the questions about God. Examines the Catholic Intellectual Tradition through the two roles of “Faith” and “Reason”.

Super Thinking Powers
"THE CORE CURRICULUM HAS BEEN HELPFUL AS IT HAS ROUNDED OUT THE COURSES WITHIN THE SCHOOL OF BUSINESS. THE ETHICS AND THEOLOGY COURSES HAVE PROVIDED VIGOROUS DEBATES ON KEY ISSUES THAT WE MAY ENCOUNTER ONCE WE LEAVE NOTRE DAME."

– Emma, Commerce (Marketing & Public Relations and Management) graduate

The rewarding skills of critical thinking and creative problem solving

There are perennial themes, theories and ideas that relate to today’s society. These ideas about meaning, truth and value can be explored in Notre Dame’s Core Curriculum, in which you will study Philosophy, Ethics and Theology. Employers seek graduates who can think critically, creatively and compassionately. Living a good life involves making wise choices about what’s important to you, what you want to do and what may help the world become a better place.

Outcomes of the study of Notre Dame’s Core Curriculum are clearly reflected in the current Federal Government Graduate Outcomes Survey in which the University is placed at number one position in Western Australia in terms of Graduate employment rate, Median salary and Overall employer satisfaction.

The School of Business is widely recognised for its focus on the real world of business, preparing students for the unprecedented change and rapid globalisation of today’s corporate world. Through our unique Business Internship Program, graduates are fully equipped with the expertise, knowledge, confidence and practical skills to adapt and excel in the highly competitive business environment.

WHY STUDY BUSINESS AT NOTRE DAME?
Are you a budding entrepreneur looking to learn all there is to know about surviving in today’s tough business world? Do you see yourself leading a team of passionate young executives as you develop a strategy to achieve great financial results? Or do you have the nerve to stare-down a bull-run as a successful city stockbroker?

At the Notre Dame School of Business we don’t confine our future business managers, accountants and stockbrokers to the classroom. Our Business Internship Program and workshop series are designed to give you insights into the real world of business.

We go a step further, too, with a focus on ethics and corporate responsibility, reflecting the growing complexity of doing business today.

When it comes to rating our School of Business, our students have spoken on our behalf in a nationwide survey commissioned by the Federal Government. According to the results of the Quality Indicators for Learning and Teaching (qilt.edu.au) Notre Dame is first in WA in Business and Management for five out of six student experience indicators:

- Overall quality of educational experience 88.7%
- Learner engagement 74.9%
- Teaching quality 86.7%
- Student support 84.1%
- Skills development 87.1%

Notre Dame also achieved the highest results in WA for graduate outcomes such as:

- Full-time employment 78%
- Overall satisfaction 88.9%

FLEXIBILITY
Notre Dame’s School of Business offers the flexibility of choosing a single or double Major from the following areas of study: Accounting, Economics, Finance, Human Resource Management, Management, Marketing, Public Relations, and/or Sport & Recreation Management.

WORK INTEGRATED LEARNING
The Business Internship program is a core component of the School of Business experience at Notre Dame. Each undergraduate student is required to successfully complete the fully-graded Business Internship in order to graduate.

The Business Internship is both developmental and experiential in nature. Students actively participate in three phases, with the first two phases being classroom-based over nine teaching weeks and the third phase, a four-week industry placement. In essence, the internship experience is designed to complement formal studies by introducing students to a practical working environment.

Adding industry experience to a formal qualification is key to developing a competitive edge in the market place. Additionally, undertaking the internship can identify and develop the key skills required for career development.
DOUBLE DEGREE OPTIONS

Bachelor’s degrees in Commerce, Human Resource Management, Marketing & Public Relations and Sport & Recreation Management can be combined with a variety of other Notre Dame degrees, including those from the Schools of Arts & Sciences, Health Sciences or Law. The completion of a double degree, usually in four years (five years or more if combined with Law), broadens a student’s education and enhances employment options.

DIFFERENT WORLDS

Third-year Biomedical Science and Commerce student, Olivia Maso, spent her summer break in two very different worlds: first, rubbing shoulders with international business personalities at the World Taxpayers Association Regional Forum in Bangkok; and then, literally worlds away, helping to research and publish a guide for everyday taxpayers in Cardiff, the capital of Wales.

A recipient of the Mannkal Economic Education Foundation scholarship which supports Notre Dame students interested in studying libertarian and free-market concepts, Olivia joined other students from around the world in both locations.

“Getting out onto the streets and hearing real-life stories – from single parents raising their children on minimum wage, to those struggling to find employment and cannot afford their council tax bills – it is a stark and often confronting reminder of the realities that people face and of why we advocate for what we do,” Olivia said.

NOTRE DAME ‘FOODIE’ HEADS TO JAPAN

The chance to undertake a four-week apprenticeship at the famous Nobu restaurant in Tokyo opened the door to a fulfilling career for Business graduate, Declhan Lee.

Following the completion of his degree in Marketing Public Relations, he was offered the enviable role as Maître d’ at Crown Perth’s Nobu restaurant.

“Looking ahead, I would like to try to break into the world of international consulting to become the bridge for companies looking to expand into Japan or Japanese companies looking to expand into the West. I am passionate about helping firms understand cultural, linguistic and personal preference differences between the markets and how best to target and advertise in these spaces,” Declhan said.

REAL WORLD EXPERIENCE A HIGHLIGHT OF HR DEGREE

Notre Dame graduate, Bridget Totterdell, credits Notre Dame with supporting her throughout her degree while enhancing her critical thinking and employability.

The Human Resource Consultant says through studying the Core Curriculum she gained a different perspective, and appreciation of the collaboration between tutor and students in the classroom.

“Everybody always had something different to say. We all heard each other’s opinions and came to understand why people have different opinions. We expanded our horizons and learned different things,” said Bridget.

“The lecturers and tutors really care about you. When I needed help or didn’t understand something, they were very willing to help out.”

Bridget aspires to work internationally in human resources one day and is currently employed at WCA Solutions where she served an internship as part of her degree.

GRADUATE CERTIFICATE IN BUSINESS

Duration: 0.5 years full-time or the equivalent part-time

Admission requirements:
A recognised undergraduate degree (or equivalent qualification) plus a minimum of three years’ experience in managerial and/or supervisory roles.

Loan Scheme: FEE-HELP

The corporate environment is rapidly changing due to globalisation and the impact of digital technology. Aimed at students with a previous degree, or applicants with industry experience but no formal tertiary qualifications, a Graduate Certificate in Business from Notre Dame shows employers that you are serious about continuing your education.

This program covers content such as business ethics, ethical leadership, strategic management and marketing. The qualification will enhance your own employment prospects or can be used as a stepping stone to a Master of Leadership at Notre Dame.

SAMPLE COURSES
- Accounting for Managers
- Strategic Management and Planning
- Leadership: Theory and Practice

LEADERSHIP

GRADUATE CERTIFICATE IN CATHOLIC LEADERSHIP

Duration: One year part-time

Admission requirements:
A recognised undergraduate degree (or equivalent qualification) plus a minimum of three years’ experience in managerial and/or supervisory roles.

Loan Scheme: FEE-HELP

The University of Notre Dame Australia and Catholic Education Western Australia have worked collaboratively for many years to provide practical expressions of Catholic faith and values. The new Graduate Certificate in Catholic Leadership embeds this collaborative relationship with a formal program specifically focused on the impact that Catholic faith and values have on leadership towards the Common Good.

This degree is advantageous to career progression for those who are currently in, or wish to be employed in, a Catholic institution or organisation, or have an interest in leadership in a context of Catholic faith and values.

BREXIT: PROFESSOR ANSWERS CALL FOR HELP

When Britain voted to exit the European Economic Commission (EEC) the race against time began to maintain the country’s status in international trade. In the critical area of the fishing industry there was a global search for experts to advise British authorities on managing sustainable fisheries in the wake of Brexit.

Notre Dame’s Professor George Kailis was one of only four people in the world called on to help.

Last year, the former Executive Chairman of the MG Kailis Group – one of Australia’s largest fishing and marine businesses – and currently a lecturer in the University’s postgraduate Business program, flew to London to help plan the transition.

“The enormity of Brexit really does call for the help of experts from around the world. It was a totally unique experience and one that I hope will benefit our postgraduate Business students too,” says Professor Kailis.

MASTER OF LEADERSHIP

Duration: One and a half years full-time or the equivalent part-time

Admission requirements:
A recognised undergraduate degree (or equivalent qualification) plus a minimum of three years’ experience in managerial and/or supervisory roles OR a Graduate Diploma in a business discipline.

Loan Scheme: FEE-HELP

Effectively leading staff is not necessarily a skill that comes naturally. Many leaders would argue that only through tertiary education, ongoing professional development, guidance from a mentor and a thirst for knowledge did they acquire the skills and knowledge required to lead.

Students who undertake the Master of Leadership receive a sound grounding in leadership theory and management practices. It provided those wishing to advance their careers, within any sector, with a range of new and exciting opportunities.

HIGHER DEGREES BY RESEARCH

MASTER OF BUSINESS

Duration: Two years full-time or the equivalent part-time

Admission requirements: A Bachelor’s degree or equivalent

Loan Scheme: RTP*

The Master of Business is a program of research on a business topic that is developed in consultation with a supervisor. Business disciplines in which the Master of Business can be undertaken include finance, management, marketing, public relations, human resources and accounting. The thesis can be theoretical or applied in nature. It is approximately 40,000 words in length and can include a variety of approaches such as conceptual modelling, case study or empirical work. The program is based on a standalone research project that does not require additional units of study.

DOCTOR OF BUSINESS ADMINISTRATION

Duration: Three years full-time or the equivalent part-time

Admission requirements: An Honours or Master’s level degree, completed to a high standard. Previous research experience is required and at least three years’ professional experience is required for the professional doctorate.

Loan Scheme: RTP*

The Doctor of Business Administration is an applied three-year program leading to a thesis of approximately 80,000 words in length. The program seeks to bridge the theory-practice gap and make a practical contribution to industry-based or professional knowledge as well as make a contribution to current scholarly understanding. The program combines research training coursework with the development of the thesis.

Postgraduate degrees by coursework are offered in Business, Catholic Leadership, HR Management, Accounting, Marketing and Business Leadership. See the Postgraduate Coursework Guide for details.
**MASTER OF PHILOSOPHY**

**Duration:** One and a half years full-time or the equivalent part-time

**Admission requirements:** A Bachelor’s degree or equivalent

**Loan Scheme:** RTP*

The Master of Philosophy is a program of research on a business topic developed in consultation with a supervisor. Business disciplines in which the Master of Philosophy are undertaken include finance, management, marketing, public relations, human resources and accounting. The thesis can be theoretical or applied in nature. It is approximately 35,000-40,000 words in length and can include a variety of approaches such as conceptual modelling, case study or empirical work. The Master of Philosophy comprises four compulsory research training courses to be completed as a prerequisite to the student’s individual research project.

**DOCTOR OF PHILOSOPHY**

**Duration:** Three years full-time or the equivalent part-time

**Admission requirements:** An Honours or Master’s level degree, completed to a high standard. Previous research experience is required.

**Loan Scheme:** RTP*

The Doctor of Philosophy (PhD) is a substantial program and thesis of approximately 80,000 words that should make an original contribution to current scholarly understanding in the business disciplines. Supervision is available in the fields of management, marketing, public relations and finance. The PhD requires a program of research training and independent supervised study culminating in a thesis for independent examination.

*RTP: Research Training Program. Domestic applicants are eligible for fee remission as part of the Australian Government’s Research Training Program (RTP). International applicants may apply for a fee-offset on a competitive basis.

NOTRE DAME’S COMMITMENT TO PASTORAL CARE AND A PERSONALISED EDUCATION EXPERIENCE DOESN’T JUST BEGIN WHEN COMMENCING STUDY. IT BEGINS WITH OUR EARLY OFFER PROGRAM AND BROADER ADMISSIONS PROCESS WHICH IS CENTRED ON YOU.

Focusing on your personal aspirations, Notre Dame helps you succeed throughout your degree program and beyond, equipping you with practical skills and knowledge to help you enjoy a successful career.
NOTRE DAME STUDY CENTRE

The Notre Dame Study Centre is committed to equality of opportunity for all students regardless of social or cultural background and provides support for students, not just at the beginning of their academic careers, but all the way through to graduation.

ACADEMIC SUPPORT

Notre Dame helps students formulate their goals and develop the skills and confidence they need to attain them. With a strong emphasis on ‘the whole student,’ and supported by a dedicated team of lecturers and tutors, the Notre Dame Study Centre offers a range of educational and study programs, as well as help for students with disability requirements.

MENTOR PROGRAM

Students are invited to join Notre Dame’s Mentor Program. The Program aims to smooth the transition to university life by linking first-year students with student mentors and by providing opportunities for social interaction to ensure all students make a seamless adjustment to uni life.

EARLY OFFER PROGRAM

Notre Dame introduced the Early Offer Program in 2006 to acknowledge and reward the achievements of outstanding Year 12 students by simplifying the application process. One of the key benefits is to free prospective students from additional stress and give them confidence as they prepare for their final WACE examinations.

Students who are selected for the Early Offer Program are required to demonstrate that they:

› have exceptional personal or leadership qualities and are motivated to study;
› are active members of their church, school and/or community; and
› have a predicted ATAR (based on their best four eligible ATAR subjects) of 90 or above.

Candidates who are not successful in the Early Offer Program will automatically be considered for the November and January offers, and do not need to submit another application form. Early offer program applications are due at the end of July for admission in the following year. For more information, please visit notredame.edu.au/study/early-offer.
NOTRE DAME OFFERS A RANGE OF SCHOLARSHIP PROGRAMS FOR UNDERGRADUATE STUDENTS.

Funded by the University, industry, individuals and non-profit organisations, scholarships are available to prospective and current students.

While the selection criteria vary for each scholarship, community involvement and leadership roles, as well as academic performance and financial hardship, are considered as part of the application process.

A scholarship enabled student Isabella to complete her studies and gave her the inspiration to realise her future dream.

Investing in your future

NOTRE DAME IS COMMITTED TO MAKING ALL ITS PROGRAMS AS AFFORDABLE AND ACCESSIBLE AS POSSIBLE, WITH ITS FEE STRUCTURE REFLECTING THIS GOAL.

HOW FEES ARE CALCULATED
Fees are calculated based on the discipline and study load of each course undertaken by students. For the majority of programs, courses studied do not all fall within the same discipline. For example, a student enrolled in a Bachelor of Education undertakes courses of study that are classified as ‘education’ and some that are classified as ‘humanities’. In this example, the fee for the humanities courses is calculated against the Humanities discipline, while the fee for the education courses is calculated against the Education discipline. To access individual course costs please visit the University’s website.

COMMONWEALTH SUPPORTED PLACES / HECS-HELP
Notre Dame offers Commonwealth Supported Places (CSP) in selected undergraduate programs (see the program table for details). Australian citizens, holders of permanent humanitarian visas and eligible New Zealand citizens who are allocated a CSP are able to access HECS-HELP and defer all or part of their tuition fees through a Federal Government loan.

All Indigenous students of Notre Dame are able to access Commonwealth Supported Places and HECS-HELP for all programs.

FEE PAYING PLACES / FEE-HELP
Notre Dame offers full fee paying places for undergraduate domestic students in a number of programs. Australian citizens, permanent humanitarian visa holders and eligible New Zealand citizens are able to access the FEE-HELP loan scheme. This program allows eligible students to borrow all or part of their tuition fees from the Federal Government. A loan fee of 25 percent is added by the Federal Government.

HOW WILL I PAY?
The HECS-HELP loan scheme assists eligible students, who have been allocated a Commonwealth Supported Place, in paying their tuition fees. The FEE-HELP loan scheme assists eligible students, who have been allocated a Fee Paying Place, in paying their tuition fees. Repayments in both schemes can be deferred until students are in the workforce. Students should consult studyassist.gov.au for further information and up to date eligibility requirements.

ADDITIONAL STUDY COSTS
The additional costs of study will vary from student to student. Additional costs include textbooks, uniforms, accommodation, public transport, photocopying, stationery and food.

FINANCIAL ASSISTANCE
Austudy, Abstudy and Youth Allowance schemes are operated by the Australian Government and provide financial assistance to eligible students. For further information, please contact Centrelink on 13 24 90 (Youth Allowance and Austudy), or 13 23 17 (Abstudy) or visit www.humanservices.gov.au.

For more information relating to fees, please see notredame.edu.au/study/fees.
We consider the whole person

THAT’S WHY NOTRE DAME’S COMPREHENSIVE ADMISSIONS PROCESS GOES BEYOND THE USE OF A SINGLE SCORE.

THERE ARE TWO CATEGORIES OF UNDERGRADUATE APPLICANTS:

1. Recent secondary education (within the past two years)
   a. School leaver students who are currently in Year 12 sitting the Western Australian Certificate of Education (WACE), International Baccalaureate (IB) or equivalent; or
   b. Applicants who have completed Year 12 or equivalent within the last two years and are using these results to gain admission into the University.

2. Mature-age applicants
   a. Higher education study from other tertiary institutions (including bridging or enabling programs);
   b. Vocational education and training (VET) study from TAFEs or other Register Training Organisations;
   c. Work and life experience.

UNIQUE APPROACH TO UNIVERSITY ADMISSION

Notre Dame’s admissions process considers every applicant on an individual basis, which is, like the Notre Dame study experience, focused on the whole person. Entry is based on: your personal qualities, motivation to study and academic potential; contribution to school, church or community life; academic record; and an interview with an academic member of staff at Notre Dame.

HOW TO APPLY

Applications must be made directly to Notre Dame. There is no application fee.
