

CHOOSING AN ELECTIVE

Can be **any** Notre Dame course providing that it:

- ➡ Has no (or you have) required pre-requisite
- ➡ course/s; Is available in required Semester.
- ➡ Is of the correct AQF level.
- ➡ Is offered by School of Health Sciences, Arts & Sciences, or Business.

These courses can be taken by Biomedical Science, Exercise & Sport Science and Health Promotion Students only.

(Note: courses offered by the following Schools are not available as electives: Nursing & Midwifery, Law, Education and Medicine).

Where to get this information on ND Website:

- For information on School course offerings: <https://www.notredame.edu.au/about/schools>
- To view the Semester Timetable: <https://www.notredame.edu.au/current-students/your-enrolment/calendars-and-timetables>

Scroll down to Course offerings, 2024 Course offerings and select from the drop down arrows. Please see screen shot following

• 2024 course offerings

Scroll down the list or filter by campus, school, session or course code to search for your course(s). If you are unsure on the courses relevant to your program please visit your chosen [Program of Study](#) to view the associated courses or check out the course offerings by campus below the table.
