Monthly Research Update

School of
Arts &
Sciences

Dear A & S colleagues,

Here is your May edition of the Monthly Update.

I'd like to take this opportunity to remind research active staff to get yourselves an ORCID, if you don't already have one. No, not a misspelling of the beautiful orchidaceae family, but an **Open Researcher and Contributor ID** that has become the global standard by which to identify your research. Many journals will request it when you submit an article, and they are used by the ARC. Find the link in the **Useful Links** column on p. 2.

Enjoy the issue!

Christine de Matos, Associate Dean Research
