1 INTRODUCTION AND INTERPRETATION

1.1 Introduction

These Program Regulations apply to all students enrolled in the Master of Health Professional Education Award at The University of Notre Dame Australia.

These Regulations should be read in conjunction with the University's General Regulations and the School of Medicine Regulations.

1.2 Interpretation

The terms included in these Regulations have the meanings as defined in the University's General Regulations and the School of Medicine Regulations.

1.3 Amendments made to Program Regulations

Unless otherwise specified, when amendments are made to the structure, content or academic requirements of the Master of Health Professional Education Award, the amendments will automatically apply in accordance with General Regulation Section 1.7.

1.4 Applicability to Campuses of the University

The Master of Health Professional Education Award is available from the Fremantle Campus.

1.5 The Australian Qualifications Framework (AQF)

The Master of Health Professional Education Award is a Level 9 AQF qualification.

2 ENTRY CRITERIA

2.1 General Criteria

The standard entry requirements for admission are detailed in the University's General Regulations and the School of Medicine Regulations.

2.2 Additional Entry Requirements / Pre-Requisites

The following entry requirements apply to this Award:

Applicants must have:

- (a) A Bachelor's degree or its equivalent in a health professional field
- (b) Active involvement in health professional education.

2.3 External Accreditation Requirements

External accreditation requirements are not applicable to this Award.

2.4 Offshore International Students

The program is available online to offshore students.

3 AWARD REQUIREMENTS

3.1 Structure

For the Master of Health Professional Education Award structure, refer to Appendix A.
