1 OBJECTS OF THE UNIVERSITY

The University's Objects are defined in Section 5 of its Act of Parliament:

The Objects of the University are:

- (a) the provision of university education, within a context of Catholic faith and values; and
- (b) the provision of an excellent standard of -
 - i. teaching, scholarship and research;
 - ii. training for the professions; and
 - iii. pastoral care for its students.

2 PURPOSE

- 2.1** The purpose of this Policy is to set out the obligations of the University, staff, students and Associates in relation to work health and safety at the University.

3 SCOPE

- 3.1** Applies to all University staff, students, visitors, volunteers, contractors and Associates in the Workplace.

4 PRINCIPLES

- 4.1** The University of Notre Dame Australia is committed to providing and maintaining a Workplace that promotes the health and safety of its staff, students and Associates.
- 4.2** To achieve health and safety in our Workplace the University will:
 - 4.2.1 implement and manage a national work health and safety system (**WHSS**) based on consultation and communication at all levels and across all University Workplaces.
 - 4.2.2 ensure our WHSS complies with the *Work Health and Safety Act 2011 (NSW)*, the *Occupational Health and Safety Act 1984 (WA)*, the *Work Health and Safety Act (VIC)* and other relevant legislation and industry standards applying to any University Workplace.
 - 4.2.3 strive for continuous improvement through ongoing reporting and review of health and safety matters through health and safety representatives and committees across all University Workplaces.
 - 4.2.4 provide consistent and clear policy, information, instruction, training and supervision to staff, students, and Associates.
 - 4.2.5 Encourage all staff to report and respond to material hazards and risks associated with University activities as a matter of priority, and implement appropriate control measures aimed at eliminating risk where possible.
- 4.3** To support the University to meet its commitment to provide a safe work environment, all staff, students and Associates are required, collectively and individually, at all levels and across all Workplaces, to proactively strive to maintain a healthy and safe environment by:
 - 4.3.1 taking responsibility for their own health and safety at work and the health and safety of others;
 - 4.3.2 treating others with respect in all Workplace interactions;

- 4.3.3 actively participating in all work health and safety (**WHS**) activities including gaining an understanding of the University's WHSS, including policies, advice, directions and training on health and safety matters;
 - 4.3.4 reporting potential hazards and risks in the Workplace and taking reasonable steps to minimise staff exposure to injury and illness;
 - 4.3.5 complying with University policies, advice and directions and participating in training on health and safety matters; and
 - 4.3.6 communicating and consulting with health and safety representatives in raising any issues of concern on health and safety matters in their Workplace.
- 4.4** A failure of staff to meet their obligations set out in clause 4.3 may constitute a breach of this Policy and/or breach of the University's *Staff Code of Conduct* and will be dealt with under the University's misconduct process.

5 ROLES AND RESPONSIBILITIES

- 5.1** The University's WHSS requires every person within the University community to participate in making the Workplace a safe and healthy environment for all.
- 5.2 Board of Directors** has the ultimate responsibility for the provision of a safe and healthy Workplace. To meet this obligation the Board will:
- 5.2.1 delegate to the Vice Chancellor the function to approve strategic objectives, policy and targets for the University;
 - 5.2.2 monitor the health and safety of the Workplace through the regular reporting and review of strategies and targets;
 - 5.2.3 if required, provide direction to the Vice Chancellor on health and safety matters; and
 - 5.2.4 ensure the University is provided with the appropriate resources to meet its strategic objectives and targets.
- 5.3 Vice Chancellor** has responsibility for:
- 5.3.1 approving the WHSS, ensuring the WHSS is consistent with and able to meet the strategic objectives, policy and targets set;
 - 5.3.2 continually monitoring and reviewing the WHSS;
 - 5.3.3 reporting to the Board of Directors on the progress and performance of the WHSS; and
 - 5.3.4 ensuring the allocation of resources for health and safety.
