

Institute for Health Research

THE UNIVERSITY OF NOTRE DAME AUSTRALIA

For the health and wellbeing of people and communities in need.

## Publishing Health and Nursing Research

Wednesday, 18th July 2018, 1.30pm – 3.00pm

Please RSVP by Monday, 2<sup>nd</sup> July

### Workshop Presenters

Associate Professor Caroline Bulsara, Professor Max Bulsara and Dr Paola Chivers  
Institute for Health Research, University of Notre Dame Australia, Fremantle

### Target audience

This session is suitable for staff, HDR and Honours students who would like to learn to select an appropriate journal and prepare their manuscript for publication. This workshop is being offered exclusively for School of Nursing, Sydney campus.

### Aim

This session will provide you with some introductory advice and tips on getting research published in the disciplines of health and nursing. The session will look at types of publications, in addition to the traditional peer reviewed journals and ways to get published.

The sessions will aim to provide you with the background and confidence to prepare your research for publication.

### Teaching Method

Presentation, handouts, question and answer discussion.

### Workshop Enrolment

Numbers are limited and places are reserved on a first come, first-served basis for School of Nursing.

**Please note**, there are no costs for staff, HDR and Honours students from **University of Notre Dame**.

**To ensure you secure a place, please email Louisa Smith your registration form.**
