

Compulsory and Elective Undergraduate Core Courses in 2024

The national Core at the undergraduate level consists of standard 13-week courses. The first course is a compulsory first year level offering that integrates faith and reason, theology, and philosophy. This course is called CORE1000 Foundations of Wisdom and students should use the following class numbers to enrol:

Semester 1:

1547 | Fremantle

1548 | Sydney

Semester 2:

1619 | Fremantle

1620 | Sydney

The second course will be an elective second year (or above) offering. Undergraduate students will be able to choose an elective course from the following list:
