The Broome Campus offers education and training opportunities in the remote Kimberley Region of Western Australia. To support this initiative it is essential to provide suitable low cost - accommodation options. The aim of the Village is to provide a supportive environment that enables students to pursue their aspirations.

The Village is a diverse multi-cultural community. In this way the reconciliation theme of Notre Dame Broome is fostered by bringing together people of different cultures, backgrounds, ages and religions.

The Campus is set on a natural savannah bush block combined with tropical gardens and is only a 10 minute walk from the shopping centre and 20 minutes to the town centre. Broome Recreation and Aquatic Centre is also within walking distance and includes outdoor pools, basketball and squash courts, a gymnasium and fitness classes. The beautiful Cable Beach is a short drive or cycle away.

The Village includes a Hostel and Houses for short or longer term stays. The Hostel can accommodate up to 28 people in single or shared options. The Housing provides nine self-contained houses, each with five single bedrooms with ensuites and study areas. Each house has a fully equipped shared kitchen and lounge, dining areas.

Amenities available for all occupants of The Village include access to the Campus Library, free WiFi access, communal kitchen and BBQ facilities, pool and tennis tables, half- court basketball, plenty of room to kick a footy, a TV lounge, an on- site laundry, off street parking, linen and towels provided and tea and coffee is complimentary.

Accommodation is available to students who come from regional towns across WA, the Notre Dame Fremantle Campus, from around Australia and overseas. Students from other tertiary institutions, training and partner organisations attending training, workshops, meetings and retreats in Broome are also welcome.
