### 6 PRACTICUM OR INTERNSHIP REQUIREMENTS

---

- 6.1** Students are required to complete BUSN3900 Business Internship that includes a minimum of 150 hours of practicum.

## 7 PROGRAM REQUIREMENTS

---

### 7.1 Program Description

This program is a comprehensive program which prepares students to meet the standards required by the main accounting professional organisations in Australia and enter the profession of accounting. Students completing the program will have a thorough knowledge of the theoretical and practice skills required of members of the profession. The program is designed to equip graduates with the ability to provide competent advice to clients in a climate of evolving and improving professional standards. Throughout the program, students will engage in a curriculum that is based on professional competence underpinned by a comprehensive ethical base. Integral to this program is the notion of reflection, values, judgement, and reasoning.

### 7.2 Program Learning Outcomes

Upon successful completion of the Bachelor of Accounting graduates will be able to:

1. Demonstrate a strong understanding of the overall business environment and be able to solve problems in various areas of the accounting discipline;
2. Be professionally competent and confident accountants who use their knowledge and skills in the ethical delivery of services and advice to clients;
3. Think critically and make decisions by exercising appropriate professional judgement;
4. Critically analyse and apply research skills to business issues and problems;
5. Communicate well within organisations and with their stakeholders when interpreting and advising on accounting matters;
6. Reflect on personal values and beliefs and be empowered to act on ethical and professional values when dealing with clients and in the practice of the accounting profession.

### 7.3 Required Courses

To be eligible for the award of Bachelor of Accounting students must complete a minimum of 600 Units of Credit chosen from the courses listed in Appendix A

- 50 Units of Credit from two (2) Core Curriculum Courses
- 125 Units of Credit from five (5) compulsory Business Foundation Courses
- 275 Units of Credit from eleven (11) compulsory Accounting Courses
- 25 Units of Credit from one (1) required course
- 100Units of Credit from four (4) Elective Courses
- 25 Units of Credit from one (1) internship

### 7.4 Elective Courses

Students enrolled in the Bachelor of Accounting are required to complete 4 elective courses. Elective courses can be selected from the approved list of course offerings listed in Appendix A.

### 7.5 Course substitutions

Course substitutions, where permitted, must be approved by the Dean
