

Other costs related to your program

Other costs may include vaccinations, uniforms, a nursing fob watch, checks and clearances for work placement, as well as textbooks and computer hardware for online learning. Not all students will need to purchase everything listed, as requirements vary. We've put together a guide to help you understand the costs you may expect to pay.

Checks and Clearances	
Working with Children Check	Current fees for a WWC Check are: • \$87.00 - for employees and self-employed people • \$11.00 - for volunteers, unpaid people, students on unpaid placement and for a replacement card.
