

Zoom Zoom

Get zooming from your personal computer through the zoom client. Install the Zoom Client and required Add-ins from <https://notredame-au.zoom.us/download>

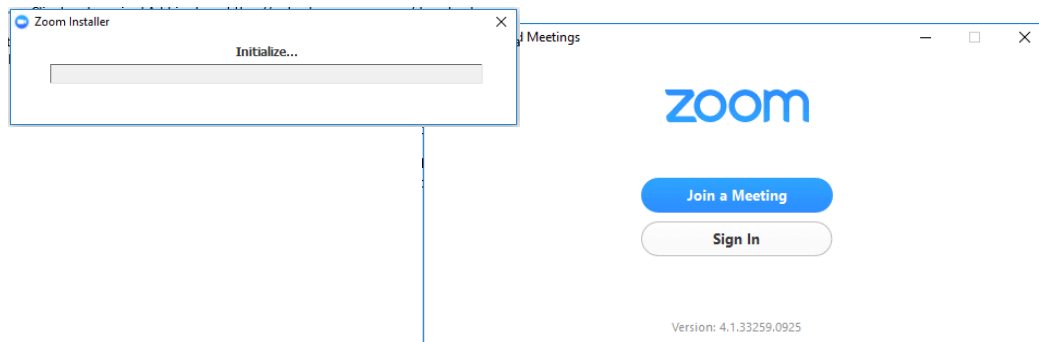

To install the base client, click **Download** under Zoom Client for Meetings.
Add-ins are only usable once the base client is installed

Zoom Client for Meetings

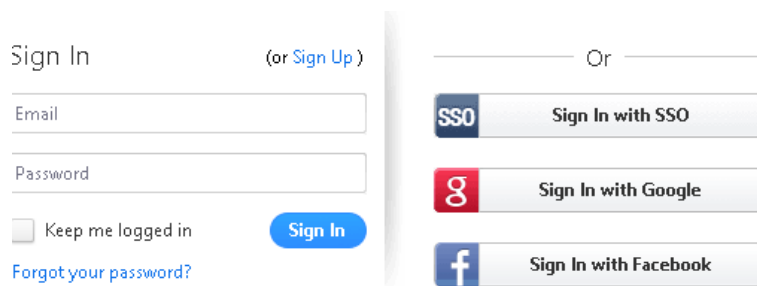

The web browser client will download automatically when you start or join your first Zoom meeting, and is also available for manual download here.

Click on **ZoomInstaller.exe** to run the installer. The installer should initialise on screen, auto-installing your Zoom Client. The Zoom Cloud Meetings login screen will show onscreen once the install is complete.

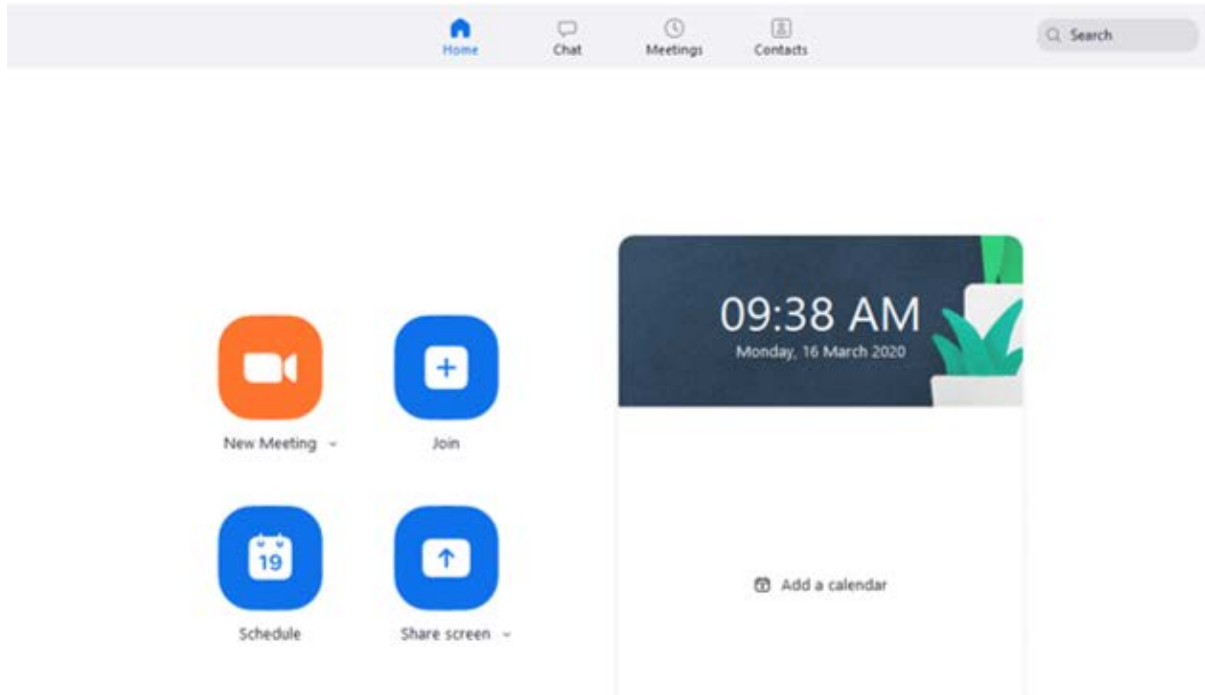

1. Launch Zoom from your applications list.
2. Select **Sign In with SSO**

3. Enter **notredame-au** when prompted for the domain information.
If prompted for a company email instead of domain, select "I don't know my company domain"
4. Enter your email login information to sign into Zoom
 - Email Address: firstname.lastname@my.nd.edu.au
 - Password: *University password*
5. Click **Sign In**

You are now ready to use Zoom!
