

Online Timetable Sign-up Summer Term & Semester 1, 2024

For **Semester 1, 2024** you will need to select your preferences for the activities (lectures, seminars, tutorials, labs, etc.) for each of the courses you are enrolled in. This is completed online through Allocate +, the timetable signup software used by the University. **Instructions on how to do this can be found at the [Calendars and Timetables page](#)**
