

The University of Notre Dame Australia

Institute for Ethics & Society

In partnership with Catholic Health Australia

Euthanasia and Palliative Care

Medical and Ethical Perspectives

Professor Margaret Somerville and Associate Professor Natasha Michael

World-renowned bioethicist Margaret Somerville is Professor of Bioethics in the School of Medicine at The University of Notre Dame Australia and is affiliated with the Institute for Ethics and Society, also at Notre Dame. She was previously Professor of Law, Professor in the Faculty of Medicine, and Founding Director of the Centre for Medicine, Ethics and Law at McGill University, Montreal.

Natasha Michael is Director of Palliative Medicine at Cabrini Health in Melbourne, as well as Adjunct Clinical Associate Professor at Notre Dame's Melbourne Clinical School.

Workshop Structure

- › Professor Margaret Somerville: 'Why Assisted Dying is not a Medical Treatment'
- › Associate Professor Natasha Michael: 'Reflections on Palliative Care: Theoretical and Practical Issues'
- › Interactive discussion session

Monday 29 August 2016 | 2pm-4pm

Venue: Governor's Boardroom (NDS14-701), The University of Notre Dame Australia
Darlinghurst site
