# **PRELIMINARY PROPOSAL**

## **HONOURS RESEARCH/ CREATIVE RESEARCH PROJECT**

On a typed document of approximately 500 words attached to this application form, please outline your research project, structured around the following headings:

- 1.** Specific research question/s to be addressed.
- 2.** Main objective/s or aims of your research.
- 3.** For non-traditional research, please describe your creative artefact/project (e.g. script, short stories, short film) and how it relates to the research question.
- 4.** Methodology (How you intend to go about your research).
- 5.** Short list of reference books/ critical literature already published on this field (books and journal articles) and which may be useful to your project.
