28-Dec			

- Students must be available for all placement days and blocks allocated for that course.
- Students should not book holidays at any time when clinical placements are scheduled on the calendar for their course.
- Not being available for an allocated placement may result in you needing to withdraw from the course and re-enrol the next year.
- On-campus clinical education days/activities (OCTY2001, OCTY2002, OCTY3003 and OCTY3004) will be updated as confirmed.
- Any changes will be issued as a new version, and students will be advised.
