1 INTRODUCTION AND INTERPRETATION

1.1 Introduction
These Program Regulations apply to all students enrolled in the Bachelor of Biomedical Science (Honours) Award at The University of Notre Dame Australia.

These Regulations should be read in conjunction with the University’s General Regulations and the School of Health Sciences Regulations.

1.2 Interpretation
The terms included in these Regulations have the meanings as defined in the University’s General Regulations and the School of Health Sciences Regulations.

1.3 Amendments made to Program Regulations
Unless otherwise specified, when amendments are made to the structure, content or academic requirements of these Awards, the amendments will automatically apply in accordance with General Regulation Section 1.7.

1.4 Applicability to Campuses of the University
The Bachelor of Biomedical Science (Honours) is available on the Fremantle Campus only.

1.5 The Australian Qualifications Framework (AQF)
The Bachelor of Biomedical Science (Honours) is a Level 8 AQF qualification.
2 ENTRY CRITERIA

2.1 General Criteria

(a) As per the General Regulations admission to an Honours program and conditions of enrolment shall be consistent with the University Policy: The Award of a Degree with Honours’.

(b) Students admitted from other recognised tertiary institutions will be required to undertake one Core Curriculum Course in their honours year in addition to the required coursework and research thesis.

2.2 Selection Criteria
Students will be invited to enrol in the Bachelor of Biomedical Science (Honours) Award based on the following:

(a) A student must normally achieve an average of credit grade within a relevant Bachelor degree in a related Health Science discipline.

(b) No student will be accepted into the Bachelor of Biomedical Science (Honours) Award unless the Dean has determined that the School has the staff expertise and facilities capable of supporting the applicant.

2.3 Deferral of Participation in the Honours Program
An option to defer a place in the Honours program is available.
3 AWARD REQUIREMENTS

3.1 Structure
For the Bachelor of Biomedical Science (Honours) Award structure refer to Appendix A.

3.1.1 Compulsory Honours coursework courses
A student invited to enrol in the Bachelor of Biomedical Science (Honours) Award must undertake coursework course HLTH4990 Advanced Research Methods, Statistics & Ethics in Health Science.

3.1.2 Compulsory Research component
(a) A student must submit a research proposal and, if applicable, an ethics application to the School of Health Sciences within the first semester of enrolment in this Award.

(b) A student must also submit for examination an Honours-level thesis of between 15,000 and 18,000 words.

3.1.3 Other Components of the Honours Program
Students are required to present at the School of Health Sciences Seminar series in each semester of their enrolment.

3.2 Examination of a Research Component
(a) The Bachelor of Biomedical Science (Honours) research thesis will be examined by one internal and one external marker.

(b) The School of Health Sciences arranges the examination of the honours thesis using its own established guidelines and rubrics that are made available to students and examiners, and which are consistent with the Policy: The Award of a Degree with Honours and the General Regulations of the University of Notre Dame Australia.

3.3 Progress within Honours
Students may be terminated from the Honours Award due to failing the coursework course or failing to make satisfactory progress with their research project.

3.4 Volume of Learning

3.4.1 Standard Duration
(a) The standard duration for the Bachelor of Biomedical Science (Honours) Award is one (1) year of equivalent full-time study.

(b) A student is not able to enrol in this Award on a part-time basis.

3.4.2 Maximum Duration
The maximum period of time within which a student is permitted to complete this Award is two (2) years (including any periods of approved leave of absence) from the date on which they were first accepted into the Program by the University.

3.5 Ranking of Honours Awards
The ranking on all Honours programs will be awarded in accordance with General Regulations.

3.6 Awarding Honours
Honours within the Bachelor of Biomedical Science Award is awarded as graded Honours
