**Anatomy Act Compliance Form - Students**

Please ensure you read this form and tick each box to confirm you have read and understand the Anatomy act. When you have signed the form please return to the anatomy staff.

Student name:

Student ID:

Confirm that I have read and understood the information in the unit materials pertaining to the Anatomy Act and laboratory safety. I understand that failure to comply with these regulations could mean exclusion from the practical class or from the course.

I understand that I am authorised to view human cadaver material and will carry my student card while in the anatomy facility.	
I will not take images of cadaver or pathology material, specimens or bottles.	
I will not bring visitors to the anatomy facility.	
I will wear correct footwear and laboratory coat to all practical classes.	
I will maintain respect for cadaver or pathology material, specimens or bottles material at all times.	
I will use surgical gloves provided for handling specimens in the anatomy laboratory.	
I will not bring into, or consume food or drink in the laboratory (including bottled water and chewing gum).	
I will notify a staff member immediately in the case of injury occurring in the laboratory.	
I will act in a safe, responsible and professional manner in the laboratory at all times, as outlined in the School's Emergency Procedures and Laboratory Safety Guidelines for Students (available in each anatomy laboratory at all times).
