## Welcome to Notre Dame

Congratulations on being offered a place at The University of Notre Dame Australia.

This booklet has been designed as a step-by-step guide to getting started as a student at Notre Dame. Here you will find information about your enrolment and other important parts of becoming a student, including:

- Obtaining your Student ID Card
- Logging in to your student account
- Enrolling in this year's classes
- Accessing your Notre Dame email account
- Timetabling
- O-Week

Plus, our staff are always available to answer any questions or concerns you might have as you settle in to university life. Please email [fremantle.education@nd.edu.au](mailto:fremantle.education@nd.edu.au)

### Obtaining your Student ID card

All students should obtain an ID card. Not only is this the preferred form of ID to be used in examinations, your Student ID also allows you to borrow resources from the library and pay for printing on campus. As the card identifies you as a university student, you can use it to access student discounts and public transport concessions. The Student Admin team can take your photo and issue you with your Student ID card once you are on campus.

### How to Log in

As a student at Note Dame, you will receive access to a number of systems, all of which have the same default login details:

**Username:** Your ID number

**Password:** 'Nd' (for Notre Dame) followed by your date of birth 'ddmmyyyy'

*(e.g. If your birthday is 13 July 2001, your password will be Nd13072001)*
