

Conditions of The Cancer Detection Centre for Women Research Scholarship

The Cancer Detection Centre for Women Research Scholarship (*Scholarship*) has been established following the closure of the Cancer Detection Centre for Women. The Scholarship seeks to support medical research in the School of Medicine, at The University of Notre Dame Australia and continue the efforts of the Centre in working to eliminate women's cancers. The Scholarship is administered in accordance with the following scholarship program conditions, and the University's [Student Scholarships Policy](#) and [Procedure](#).

1. NAME OF SCHOLARSHIP

The Cancer Detection Centre for Women Research Scholarship

2. PURPOSE OF SCHOLARSHIP

The purpose of the Scholarship is to provide financial support and encouragement to postgraduate students enrolled in the School of Medicine at The University of Notre Dame Australia (*University*), Fremantle Campus, undertaking Higher Degree by Research qualifications in women's cancers.

3. CATEGORY OF SCHOLARSHIP

The scholarship will be categorised as merit, based on its core purpose and criteria.

4. VALUE OF SCHOLARSHIP

The value of the Scholarship will be \$15,000 per annum, for the duration of the scholarship. One (1) scholarship is available per year.

5. ELIGIBILITY REQUIREMENTS

To be eligible for the Scholarship, applicants must:

- a) Be a citizen or permanent resident of Australia;
- b) Be enrolled in a Higher Degree by Research at the School of Medicine, University of Notre Dame Australia Fremantle Campus; and
- c) Be conducting research or training for research in an area related to women's health.

6. SELECTION CRITERIA

The Scholarship is awarded to the applicant who, in the opinion of the Selection Committee, best demonstrates through their application and supporting documentation:

- a) Academic merit;
- b) Personal qualities and motivation, and determination to work in a medical research context; and
- c) Alignment of the proposed research with the priority research areas of the Cancer Detection Centre for Women, in the following order of preference:
 - i. Research specifically focused on detection of women's cancers (e.g. breast or gynaecological cancers);
 - ii. Research focused on other areas of women's cancers (e.g. prevention, treatment, or survivorship outcomes);
 - iii. Research focused on cancers that commonly affect women (e.g. bowel cancer, melanoma and lung cancer);
 - iv. Research contributing to broader aspects of women's health.

7. APPLICATION AND SELECTION PROCESS

- a) Applications and selection are administered in accordance with the [Student Scholarships Procedure](#).
- b) Applications must be made via the University website.
- c) Selection must be undertaken by the Notre Dame Scholarships Selection Committee and prioritise representation from Medicine and Research disciplines.
- d) Selections will be made based on assessment of the application and any supporting documentation required by sections 4 and 6 above.
- e) All applicants will be notified of an outcome via email.
- f) The University reserves the right not to award the scholarship.

8. DURATION OF SCHOLARSHIPS

- a) Subject to section 11, the Scholarship will be tenable for the duration of program, which is typically up to two (2) years for a master's program, and up to three (3) years for a PhD, regardless of enrolment load.
- b) The Scholarship is not transferable to any other organisation or institution.

9. QUANTITY OF SCHOLARSHIPS

- a) One (1) scholarship will be available annually.
- b) This scholarship will be on a fixed total offering, of one (1) scholarships awarded to one (1) recipient at any one time, with no new recipients awarded until the previous scholarship is complete.

10. METHOD OF PAYMENT

- a) Scholarship funds will be paid directly to the student as determined by the University.
- b) Recipients are required to provide payment details for payment of funds.
- c) Scholarship funds will be paid in two instalments, at the beginning of each semester, provided the recipient meets the Conditions of Continuation in section 11.

11. CONDITIONS OF CONTINUATION

The Scholarship will continue to be paid subject to the recipient meeting the General Scholarship Terms outlined in the [Student Scholarships Procedure](#), including:

- a) Maintaining Satisfactory Academic Progress each semester; and
- b) Maintaining full time or part time enrolment in the same program upon receiving the scholarship.

The recipient forfeits the Scholarship if they:

- a) Fail to meet the requirements in a) and b) above;
- b) Are found to have breached the University's Student Code of Conduct or is the subject of disciplinary action under the University's General Regulations;
- c) Discontinue their program;
- d) Defer their enrolment.

The recipient can suspend the scholarship if they take an approved leave of absence.

If the recipient has not maintained the Conditions of Continuation due to extenuating circumstances, the recipient may make an application in writing to the National Manager, Student Success, who holds discretion to determine the ongoing status of the Scholarship.

12. STUDENT REQUIREMENTS

Scholarship recipients are required to:

- a) Acknowledge the Scholarship and the University in any thesis, dissertation or other publications resulting from research undertaken by the recipient while in receipt of the Scholarship.
- b) Submit an Annual Scholarship Update at the end of each calendar year throughout the scholarship term.
- c) Notify the University of any changes in circumstance throughout the scholarship term.

Scholarship recipients may be invited to participate in publications, media and events related to the award of the Scholarship.

13. ADMINISTERING BODY

The Scholarship is administered by The University of Notre Dame Australia.

14. PRIVACY

The University is committed to the principles contained in the Privacy Act 1988 (Commonwealth) and the Privacy Amendment (Private Sector) Act 2000 (Commonwealth) and will not disclose any personal information (as defined in the Privacy Act) relating to this Scholarship to any third-party without the written consent of the applicant as obtained by the student declarations on the student application form.

The University may share personal information obtained through (the Scholarship application) with third parties where the third-party is a member of a selection committee. This information is shared for the purposes of selection only.

For reporting, the University may also share personal information for the purposes of the student meeting the recipient requirements; or where the student consents in writing to participate in publications, media and events related to the award of the Scholarship. This may include arranging for media opportunities that include the student and the third-party donor.

15. GENERAL PRINCIPLES

- a) These Conditions must comply with any University Regulations regarding the awarding of scholarships and prizes.
- b) The Vice Chancellor may vary the Conditions of the Scholarship at any time.
