

## 2022 Indicative Course Costs

Domestic Commonwealth Supported Student Rates - Students who commence in 2022 and in 2020 or Earlier

The following is a list of all courses that are available for study across all programs at the University of Notre Dame Australia in 2022. Although this document may give you a cost for a selected course this does not mean that the course is available for your selected program. Before selecting courses you should check with your School or program planner in order to select courses that are appropriate for your individual study program. The University reserves the right to withdraw courses based on factors such as low course enrolments.

Information presented in this document is intended simply to assist students in estimating the cost of tuition fees. The information contained in the document is provided in good faith and is derived from sources believed to be reliable and accurate, however, the University of Notre Dame Australia expressly disclaims liability which is based on reliance on the information contained in this Web Site. All fees will be displayed in Australian Dollars. Fees information generated from this site does not constitute an official invoice.
