

Applicants wishing to apply for a place in the Master of Physiotherapy at the University of Notre Dame Australia must first complete the Assessment of Subject Requirements, which is required for pre-application assessment of eligibility. Applicants will receive an outcome of this assessment within 10 working days.

## Instructions

Before completing this form, please review the [entry requirements](#) on the program page.

- When completing the Assessment of Subject Requirements form, list all subjects to be assessed to fulfil the subject requirements. These may include:
  - completed subjects
  - subjects currently being undertaken
  - subjects you plan to undertake that you believe satisfy the requirements.
- For subjects that have not been completed, you would need to submit a certificate of completion before commencement if your application is successful.
- For each subject listed, you must provide:
  - a working link to the official subject outline OR
  - a full pdf copy of the official subject outline.

*Brief subject descriptions or unit summaries will not be accepted.*

## Please note

- Incomplete or incorrect information may delay assessment of your submission.
- Subjects must have been completed at tertiary level within the last 10 years.
- Subjects must be completed prior to commencement of the Master of Physiotherapy program and cannot be taken concurrently.
