Monthly Research Update

School of
Arts &
Sciences

Dear A & S colleagues,

Welcome to the first issue of the Monthly Research Update for 2019.

As a reminder, and for the benefit of new students and members of staff, the Monthly is to celebrate staff and student research achievements, notify of upcoming internal research deadlines, draw attention to some of the research opportunities out there, direct to some interesting research news, and provide a forum for our School HDR rep to communicate to HDRs. Our new rep for 2019 is Marianne Rozario, who is completing her PhD in IR. Her new monthly column will start in the March issue. Welcome on board Marianne!

In the meantime, enjoy the extended reading list I have included on page 3.
