NOTRE DAME
A U S T R A L I A

SCHOOL OF MEDICINE, FREMANTLE

Doctor of Medicine

Employment whilst on Clinical Placements Policy

Medical students are to give their compulsory components including clinical and community placement requirements priority over and above their part-time and/or casual employment.

This does not mean students cannot continue to work part-time or casually. However, students must be available to attend all compulsory components regardless of their geographic location or timing. The School of Medicine, Fremantle will endeavour to provide students with adequate notice of the timetable for clinical placements.
