7 PROGRAM REQUIREMENTS

7.1 Program Description

The Graduate Certificate in Sport and Educational Performance is designed to meet the needs of professional teachers who wish to undertake further career development. Specifically, the program will support students to develop a comprehensive and ethical knowledge of athlete development and training prescription with the goal to enhance athletic performance. Unique to this program, students will also learn about pastoral care in the school, and how to mentor and coach peers in an educational setting in order to support personal and academic development.

7.2 Program Learning Outcomes

Upon successful completion of the Graduate Certificate in Sport and Educational Performance graduates will be able to:

1. Implement athlete centered programs to address physical and mental requirements of athletes across a range of sporting contexts
2. Appraise coaching and leadership strategies, practice and programming for holistic athlete development and lifelong learning.
3. Apply models of pastoral care with an emphasis on curriculum, the individual and community.
4. Communicate coaching and educational information effectively with a range of audiences

7.3 Required Courses

To be eligible for the award of Graduate Certificate in Sport and Educational Performance students must complete a minimum of 100 Units of Credit chosen from the courses listed in Appendix A comprising:

25 Units of Credit from one (1) Core Curriculum Courses.

50 Units of Credit from two (2) Compulsory Courses.

25 Units of Credit from one (1) Elective Course from the courses listed in Appendix A.

7.4 Elective Courses

Students enrolled in the Graduate Certificate in Sport and Educational Performance are required to complete one (1) elective course. Elective courses can be selected from the approved list of course offerings listed in Appendix A.

7.5 Course substitutions

Course substitutions, where permitted, must be approved by the Dean.
