

THE UNIVERSITY OF NOTRE DAME AUSTRALIA

Bachelor of Arts (Major: Environmental Management)

Bachelor of Arts (Major: Environmental Management)

School of Arts & Sciences

Are you interested in tackling critical issues such as climate change, urbanisation, and the need for water and food security? The University of Notre Dame Bachelor of Arts with an Environmental Management Major will give you the skills and knowledge relevant to many workplaces, making environmental management a growth employment area. Get in touch today to enrol and start making a difference.

Why study this major?

A Bachelor of Arts with an Environmental Management Major equips you to work with complex environmental systems through the study of ecology, biodiversity, physical geography, natural resource management, environmental impact assessment, and the application of spatial analysis.

Understanding and preserving our natural environment are essential to maintain the quality of life for current and future generations. The necessary skills and knowledge to succeed in these fields are developed in this Major.

Graduates can influence the direction of future government policy and agricultural and business practices to provide solutions to global warming, biodiversity conservation concerns, water resourcing issues and environmental degradation problems.

Environmental Management is available as a Major and Minor in the following programs, including double degree variations:

- Bachelor of Arts
(<https://www.notredame.edu.au/programs/arts-and-sciences/undergraduate/bachelor-of-arts>)

Fees and costs

This Program has the following loan scheme(s) available for eligible students:

Commonwealth Supported Place (CSP)

A Commonwealth Supported Place (CSP) is a place at a university where the Australian Government pays part of your fees. This part is a subsidy, not a loan, and you don't have to pay it back. However, this subsidy does not cover the entire cost of your study. Students must pay the rest, which is called the 'student contribution amount'.

In a Commonwealth Supported Place, your fees are subsidised by the Australian Government. Your fees will be split into two portions:

The Commonwealth contribution, which is the portion paid by the Australian Government.

The student contribution, which is the portion you pay. You may choose to pay upfront or defer your student contribution with a HECS-HELP Loan. The [HECS-HELP loan scheme \(https://www.studyassist.gov.au/preview-link/node/106/5de65e70-6656-4297-a79d-19fd4a6deadd\)](https://www.studyassist.gov.au/preview-link/node/106/5de65e70-6656-4297-a79d-19fd4a6deadd) assists eligible students with the payment of all, or part, of their tuition fees, not including additional study costs such as accommodation or textbooks. Your HECS-HELP debt will be indexed each year in line with the Consumer Price Index.

Eligible students will be offered a CSP – you do not need to apply.

International Full-Fee Paying

Tuition costs depend on an international student's study load and discipline. Fees are payable each semester at least four weeks prior to the commencement of your program.

For indicative fees and information on how to pay, including Government loan schemes and our online calculator, visit our [Fees, costs and scholarships page](https://www.notredame.edu.au/study/fees-costs-and-scholarships) (<https://www.notredame.edu.au/study/fees-costs-and-scholarships>).
