Bachelor of Arts

School of Arts & Sciences

Are you looking to cultivate your creative and critical thinking skills through study? A Bachelor of Arts degree from The University of Notre Dame Australia will provide you with the transferrable skills required in a global workspace. Our range of subject areas includes traditional humanities disciplines such as History, English Literature, Politics & International Relations to more industry-focused disciplines of Archaeology, Journalism, Theatre Studies, and Environmental Management. Our flexible structure means you can design your degree around a single Major, a Double Major or a Major and Minor. Alternatively, you can combine your arts degree with another degree from within the School of Arts & Sciences or from another School to complete a double degree. Contact us today to start your study journey.

Why study this degree?

If you are looking for a degree that offers flexibility and choice, the Bachelor of Arts is the perfect degree for you. A Bachelor of Arts at Notre Dame will give you the freedom to choose, thus enhancing your personal development, future employment prospects and potential to contribute to the cultural and intellectual life of the broader community.

No matter what you specialise in, completing a Bachelor of Arts allows you to work almost anywhere in the world. You might decide to travel during your degree, with both long and short-term opportunities available through our Study Abroad or Experience the World programs.

You can develop all these skills while following your personal and professional interests across a broad range of Majors and Minors in various discipline areas.

The Bachelor of Arts has a unique Major in Social Justice. The courses in this Major are open to students studying any discipline. The concept of social justice challenges you to step out of traditional mindsets and become involved in making a difference in your chosen career and our world. You will begin to understand the causes of the complex problems in our society and consider lasting solutions.

Service-learning, part of our Social Justice discipline and open to all students in the Bachelor of Arts, combines community service with academic instruction as it focuses on critical, reflective thinking and civic responsibility. Placements are in the local community, but there is also the opportunity to take up an international placement and travel to locations such as Cambodia.

Fees and costs

This Program has the following loan scheme(s) available for eligible students:

Commonwealth Supported Place (CSP)

A Commonwealth Supported Place (CSP) is a place at a university where the Australian Government pays part of your fees. This part is a subsidy, not a loan, and you don't have to pay it back. However, this subsidy does not cover the entire cost of your study. Students must pay the rest, which is called the 'student contribution amount'.

In a Commonwealth Supported Place, your fees are subsidised by the Australian Government. Your fees will be split into two portions:

The Commonwealth contribution, which is the portion paid by the Australian Government.

The student contribution, which is the portion you pay. You may choose to pay upfront or defer your student contribution with a HECS-HELP Loan. The [HECS-HELP loan scheme \(https://www.studyassist.gov.au/preview-link/node/106/5de65e70-6656-4297-a79d-19fd4a6deadd\)](https://www.studyassist.gov.au/preview-link/node/106/5de65e70-6656-4297-a79d-19fd4a6deadd) assists eligible students with the payment of all, or part, of their tuition fees, not including additional study costs such as accommodation or textbooks. Your HECS-HELP debt will be indexed each year in line with the Consumer Price Index.

Eligible students will be offered a CSP – you do not need to apply.

International Full-Fee Paying

Tuition costs depend on an international student's study load and discipline. Fees are payable each semester at least four weeks prior to the commencement of your program.

For indicative fees and information on how to pay, including Government loan schemes and our online calculator, visit our [Fees, costs and scholarships page](https://www.notredame.edu.au/study/fees-costs-and-scholarships) (<https://www.notredame.edu.au/study/fees-costs-and-scholarships>).
