Bachelor of Education (Primary) / Bachelor of Behavioural Science

Are you passionate about teaching children and fostering an enthusiasm for lifelong learning? The University of Notre Dame Australia's Bachelor of Education (Primary) / Bachelor of Behavioural Science degree is ideal for you. The five-year double degree has flexible full-time or part-time study options available. It will prepare you to teach primary-aged children in Australian Catholic, Independent and Government Schools. This double degree is the ideal combination with a Bachelor of Behavioural Science. You will complete 32 weeks of essential practical experience in various educational and care settings. So get in contact with us today to start making a difference.

Why study this degree?

If you want to share your knowledge and shape the minds of primary-aged children or work with marginalised children or adults, the University of Notre Dame Australia's Bachelor of Education (Primary)/Bachelor of Behavioural Science qualification is the perfect double degree. This nationally recognised five-year degree combines educational theory and classroom learning with an essential practical component.

When you study at Notre Dame, you will be inspired by our innovative approach to teaching and learning with the latest in learning technologies. Our degree will provide the academic skills you need to support, engage, and extend primary-aged children by integrating theory and practice.

You will choose one specialist subject area for your education degree. Follow your passion and choose from Science, HASS, Special Needs, Drama, Service Learning and Social Justice,

Mathematics, and English.

When you study the Bachelor of Behavioural Science component, you study critical psychology, political science, cultural studies, and sociology. Behavioural sciences forge connections between traditional psychology and social work while promoting respect for social and cultural diversity.

You will complete 32 weeks of school-based professional teaching practice as an integral part of your degree. You will experience total immersion in a classroom environment and gain valuable insights into your chosen career. Get in touch today to find out more.

Please note: Education students in WA must sit the national Literacy and Numeracy Test for Initial Teacher Education Students (LANTITE). The test is administered externally by the Australian Council for Educational Research (ACER). You must register and pay for the test.

Fees and costs

This Program has the following loan scheme(s) available for eligible students:

CSP

A Commonwealth Supported Place (CSP) is a place at university where the government pays part of your fees. This part is a subsidy, not a loan, and you don't have to pay it back.

However, this subsidy does not cover the entire cost of your study. Students must pay the rest, called the 'student contribution amount'.

In a Commonwealth Supported Place, your fees are subsidised by the Australian Government. Your fees will be split into two portions:

- The Commonwealth contribution, which is the portion paid by the Australian Government.
- The student contribution, which is the portion you pay. You may choose to pay upfront or defer your student contribution with a HECS-HELP Loan.

Eligible students will be offered a CSP – you do not need to apply.

HECS-HELP

The HECS-HELP loan scheme assists eligible students with the payment of all, or part, of their tuition fees, not including additional study costs such as accommodation or textbooks. Your HECS-HELP debt will be indexed each year in line with the Consumer Price Index.

For indicative fees and information on how to pay, including Government loan schemes and our online calculator, visit our Fees Page (<https://www.notredame.edu.au/study/fees-costs->

and-scholarships).
