The five-year double degree has flexible full-time or part-time study options available. As part of your studies, you will complete 32 weeks of school-based practical experience and choose a Major and Specialisation teaching area. Contact us today to start making a difference.

Why study this degree?

If your ambition is to teach in a secondary school environment, you will be well-prepared with our five-year Bachelor of Education (Secondary) / Bachelor of Arts degree. It is a well-rounded undergraduate program that combines theory, the latest teaching technology, and plenty of hands-on classroom experience. Working from a rigorous and practical curriculum, you will acquire the academic skills to teach secondary school students.

In addition, you will be required to choose one major teaching area such as English, Humanities and Social Sciences, Mathematics, Science or Religious Education. You will complete eight courses in your chosen major area, plus four courses in your chosen area of specialisation.

The Bachelor of Arts component of this double degree will give you in-depth knowledge in your chosen teaching areas. In addition, you will study a Major in an area such as English

Literature, Social Justice, Politics and International Relations, History, Archaeology or Theatre Studies, which will give you specialist knowledge and skills to inspire and guide your young students and contribute to cultural and intellectual life. These are the skills needed in the creative industries of the 21st-century workplace.

The 32 weeks of supervised teaching (practicum) experience is integral to your degree. This is divided into two weeks of classroom immersion and teacher assistance in your first year; one term with a particular focus on your Learning Area Major in both your second and third years; one term with a special emphasis on your Learning Area Specialisation in your third year; and an internship in your final year which focuses on both your Learning Area Major and Specialisation, as well as Religious Education if you have chosen to complete your accreditation to teach Religious Education.

Our degree will provide the academic skills you need to support, engage, and extend secondary school children by integrating theory and practice. So get in contact with us today to enrol.

Please note: Education students in WA must sit the national Literacy and Numeracy Test for Initial Teacher Education Students (LANTITE). The test is administered externally by the Australian Council for Educational Research (ACER). You must register and pay for the test.

Fees and costs

This Program has the following loan scheme(s) available for eligible students:

CSP

A Commonwealth Supported Place (CSP) is a place at university where the government pays part of your fees. This part is a subsidy, not a loan, and you don't have to pay it back. However, this subsidy does not cover the entire cost of your study. Students must pay the rest, called the 'student contribution amount'.

In a Commonwealth Supported Place, your fees are subsidised by the Australian Government. Your fees will be split into two portions:

- The Commonwealth contribution, which is the portion paid by the Australian Government.
- The student contribution, which is the portion you pay. You may choose to pay upfront or defer your student contribution with a HECS-HELP Loan.

Eligible students will be offered a CSP – you do not need to apply.

HECS-HELP

The HECS-HELP loan scheme assists eligible students with the payment of all, or part, of their tuition fees, not including

additional study costs such as accommodation or textbooks. Your HECS-HELP debt will be indexed each year in line with the Consumer Price Index.

For indicative fees and information on how to pay, including Government loan schemes and our online calculator, visit our [Fees Page \(https://www.notredame.edu.au/study/fees-costs-and-scholarships\)](https://www.notredame.edu.au/study/fees-costs-and-scholarships).
