Bachelor of Laws / Bachelor of Commerce

Do you dream of having your own legal practice? The University of Notre Dame Australia's combined Bachelor of Laws / Bachelor of Commerce will give you a competitive edge as it draws upon the teachings of both the School of Law and the School of Business. For students who wish to become lawyers, having a solid understanding of business can help you succeed both in your legal practice and in assisting your business clients. Alternatively, if you wish to start your own business or work within the corporate environment, having a sound understanding of the legalities surrounding your work will also serve you well. Start your learning journey today.

Why study this degree?

Designed with some of Australia's most prominent legal professionals, this combined Bachelor of Laws / Bachelor of Commerce places a strong focus on experiential and case-based learning. When undertaking the legal component of the degree, you will find that Notre Dame's small class sizes give you ample opportunity to engage in spirited debate and discussion.

Furthermore, we also encourage students to participate in our Mentorship Program. Working in collaboration with highly respected law practitioners, this unique program bridges the gap between law students and the legal profession. The program connects penultimate and final year students with experienced legal practitioners who provide guidance and advice on matters such as elective choices and applying for clerkships.

Similarly, the inclusion of a Business Internship in the Commerce component of your degree forms yet another opportunity for you to implement the skills you have learned in a real working context. Held over three phases, you will undertake classroom-based learning in phases one and two before undertaking a four-week industry placement in your third phase. By adding this industry experience to your already impressive formal qualifications, you will graduate with a keen competitive edge.

Fees and costs

This Program has the following loan scheme(s) available for eligible students:

Commonwealth Supported Place (CSP)

A Commonwealth Supported Place (CSP) is a place at a university where the Australian Government pays part of your fees. This part is a subsidy, not a loan, and you don't have to pay it back. However, this subsidy does not cover the entire cost of your study. Students must pay the rest, which is called the 'student contribution amount'.

In a Commonwealth Supported Place, your fees are subsidised by the Australian Government. Your fees will be split into two portions:

The Commonwealth contribution, which is the portion paid by the Australian Government.

The student contribution, which is the portion you pay. You may choose to pay upfront or defer your student contribution with a HECS-HELP Loan. The HECS-HELP loan scheme (<https://www.studyassist.gov.au/preview-link/node/106/5de65e70-6656-4297-a79d-19fd4a6deadd>)

assists eligible students with the payment of all, or part, of their tuition fees, not including additional study costs such as accommodation or textbooks. Your HECS-HELP debt will be indexed each year in line with the Consumer Price Index.

Eligible students will be offered a CSP – you do not need to apply.

International Full-Fee Paying

Tuition costs depend on an international student's study load and discipline. Fees are payable each semester at least four weeks prior to the commencement of your program.

For indicative fees and information on how to pay, including Government loan schemes and our online calculator, visit our [Fees, costs and scholarships page](https://www.notredame.edu.au/study/fees-costs-and-scholarships) (<https://www.notredame.edu.au/study/fees-costs-and-scholarships>).
