

THE UNIVERSITY OF NOTRE DAME AUSTRALIA

Graduate Certificate in Nursing Leadership & Management

School of Nursing & Midwifery, Fremantle Campus

If you are a Registered Nurse who would like to enhance your leadership and management abilities, then our Graduate Certificate in Nursing Leadership & Management will give you the skills to excel in a variety of settings. The online program is flexible enough to accommodate the needs of those already working as Registered Nurses.

Why study this degree?

Our Graduate Certificate in Nursing Leadership and Management has been developed by the University's School of Nursing & Midwifery. The program, which you can complete over one year part-time, consists of four subjects and puts a special emphasis on learning new leadership and management skills that can be applied directly to the workplace.

After successfully completing the program, if you want to further upgrade your qualifications you can enrol in a Graduate Diploma of Nursing followed by a Master of Nursing (Leadership and Management). You are welcome to apply if you are a Registered Nurse with a nursing degree or, have appropriate experience in a relevant area of discipline.
