Graduate Diploma of Clinical Nursing

School of Nursing & Midwifery

Are you a practising Registered nurse who desires to advance your nursing career? Our Graduate Diploma in Clinical Nursing at The University of Notre Dame

Australia is the ideal postgraduate course for you if you have one year of experience and are currently employed in a health institution. Clinical Nurses are in high demand in hospitals and healthcare facilities worldwide. This one-year program is practical, with all formal studies completed online. Get in contact today to find out more.

Why study this degree?

If you are a Registered nurse who wishes to develop specialist skills and knowledge in the clinical nursing field, our postgraduate course is the qualification for you.

Notre Dame University Australia has partnered with leading healthcare providers to develop this unique one-year program for Registered Nurses. You must be employed with a participating health service provider and have the hospital's support to undertake this program.

Online units include Reflective Practice, Management and Ethics of Professional Life. Before enrolling in this program, you must have completed a Graduate Certificate in Clinical Nursing. Upon graduation, you can take a Master of Nursing (Clinical Nursing), which requires a further two semesters of part-time study.

Program summary

- NURS5230/5231 Reflective Practice
- NURS5021 Management
- PHIL6020 Ethics for Professional Life

Master of Nursing (Clinical Nursing)

This program comprises of an additional two semesters of part-time study. If you undertake a Masters degree, you will be allocated a research supervisor to support you in your research engagement in an area relevant to your specialty of nursing practice.

Full details of the program requirements are contained in the Program Requirements (https://www.notredame.edu.au/_data/assets/pdf_file/0014/417/Diploma-of-Clinical-Nursing.pdf).

More information regarding courses can be found at the course descriptions (<https://www.notredame.edu.au/about-us/faculties-and-schools/school-of-nursing-and-midwifery/fremantle/course-descriptions>) page.

Entry requirements

The following entry requirements apply to this program:

- Current license to practice as a Registered Nurse with the Nursing and Midwifery Board of Australia or provisional registration, whichever is applicable at the time of commencement
- Nursing or other appropriate degree or the equivalent
- Minimum of one year relevant post registration nursing experience
- Candidates must be employed with a participating health service provider and have their hospital's support to undertake the program.

Learning outcomes

Upon successful completion of the Graduate Diploma of Clinical Nursing graduates will be able to:

1. Implement advanced practice knowledge, skills and

competencies that enhance their capacity to work safely and effectively in a dynamic and challenging healthcare environment in the hospital and community

2. Communicate with influence and negotiate persuasively to achieve optimum outcomes for healthcare consumers from diverse cultural and linguistic backgrounds
3. Model professional behaviours to colleagues and students that provide clients with culturally appropriate and socially just care within a medico-legal framework
4. Cultivate productive working relationships by facilitating inclusiveness and valuing diversity within the healthcare team
5. Actively contribute to the professional development of a range of members within the healthcare team
6. Establish a mechanism for lifelong learning by reflecting on practice to apply and build professional expertise; and
7. Steer and implement change by conducting national and international research retrieval and enquiry that incorporates philosophical, technical, and social justice perspectives on healthcare.

Career opportunities

The Graduate Diploma in Clinical Nursing will allow qualified nurses to become clinical leaders in their chosen fields. Careers include nurse educators, nurse managers, nurse practitioners, nurse researchers or research managers.

Real-world experience

Your professional development will be supported by personal individual attention by expert nurse educators and experienced health care professionals in the health care environment. There are no practicum requirements for this program.

Fees and costs

This Program has the following loan scheme(s) available for eligible students:

FEE-HELP

The FEE-HELP loan scheme assists eligible fee-paying students with the payment of all, or part, of their tuition fees, not including additional study costs such as accommodation or textbooks. Your FEE-HELP debt will be indexed each year in line with the Consumer Price Index.

For indicative fees and information on how to pay, including Government loan schemes and our online calculator, visit our [Fees Page \(https://www.notredame.edu.au/study/fees-costs-and-scholarships\)](https://www.notredame.edu.au/study/fees-costs-and-scholarships).
