Bachelor of Philosophy

School of Philosophy & Theology

When you undertake the Bachelor of Philosophy at The University of Notre Dame Australia, you will be encouraged to reflect deeply and critically on the fundamental questions that have perplexed man since ancient times. You will also be challenged to examine your beliefs, values, and approach to living. A study of philosophy will boost your critical thinking abilities and deepen your cultural literacy by exploring how philosophical thought has influenced Western culture. Contact us to find out more.

Why study this degree?

This three-year Bachelor of Philosophy program is enriching and delivered in a collegiate manner to encourage discussion and personal reflection. The degree can be studied over three years full-time or part-time.

You will be taught to think critically and to become knowledgeable and considerate citizens. We aim to educate the whole person by facilitating engagement with the more profound questions of individual and social life. The Bachelor of Philosophy provides the foundation of a broad and balanced philosophical education.

The program covers Ancient, Medieval and Modern philosophy while grappling with the contemporary problems addressed by both analytic and continental philosophy. It takes seriously the Catholic philosophical tradition, which emphasises the importance of considering ideas from all points of view.

Students studying a degree in Philosophy can undertake a Major or Minor in the following disciplines: Theology, History, English Literature, Politics & International Relations,

Behavioural Science and Social Justice. Students may also wish to study Philosophy and Theology as a Major within a degree in the School of Arts & Sciences.

Fees and costs

This Program has the following loan scheme(s) available for eligible students:

CSP

A Commonwealth Supported Place (CSP) is a place at university where the government pays part of your fees. This part is a subsidy, not a loan, and you don't have to pay it back.

However, this subsidy does not cover the entire cost of your study. Students must pay the rest, called the 'student contribution amount'.

In a Commonwealth Supported Place, your fees are subsidised by the Australian Government. Your fees will be split into two portions:

- The Commonwealth contribution, which is the portion paid by the Australian Government.
- The student contribution, which is the portion you pay. You may choose to pay upfront or defer your student contribution with a HECS-HELP Loan.

Eligible students will be offered a CSP – you do not need to apply.

HECS-HELP

The HECS-HELP loan scheme assists eligible students with the payment of all, or part, of their tuition fees, not including additional study costs such as accommodation or textbooks. Your HECS-HELP debt will be indexed each year in line with the Consumer Price Index.

For indicative fees and information on how to pay, including Government loan schemes and our online calculator, visit our [Fees Page \(https://www.notredame.edu.au/study/fees-costs-and-scholarships\)](https://www.notredame.edu.au/study/fees-costs-and-scholarships).
