Bachelor of Theology

School of Philosophy & Theology

Do you wish to deepen your understanding of the Catholic Faith or want to engage with and contribute to theological reflection? The University of Notre Dame Australia's Bachelor of Theology could be the degree for you. Theology holds a central place in the life and mission of any Catholic university. Our Bachelor of Theology is designed to help you to develop the skills necessary to examine Scripture and the traditions of the Catholic Church - thus deepening your faith and your ability to work more effectively in the Christian community. Those who know theology, and can articulate those concepts clearly, can make significant contributions to society. Get in contact to find out more.

Why study this degree?

Do you have vocational or ministerial goals? If so, you might be an ideal candidate for this degree at the School of Philosophy & Theology.

The Bachelor of Theology is a three-year degree designed to provide students with a grounding in Biblical and Theological Studies and associated disciplines. The program covers Church History, Moral Theology, Biblical Studies, Doctrinal or Systematic Theology and Sacramental Theology and Liturgy. You will learn more about your faith and how to examine it with academic expertise, emphasising the importance of communicating reasoned beliefs to others.

Within the Catholic Intellectual Tradition, theology relies upon philosophy, and philosophy reaches out to what theology has to offer. As a theology student, you will learn to think well by creatively entering the dynamic relationship between these disciplines.

With this degree, you will be ideally prepared for Catholic ministry and other religious education, academic teaching, youth work, and pastoral care opportunities. You will have the skills and imagination to approach contemporary problems in various ways.

Fees and costs

This Program has the following loan scheme(s) available for eligible students:

CSP

A Commonwealth Supported Place (CSP) is a place at university where the government pays part of your fees. This part is a subsidy, not a loan, and you don't have to pay it back. However, this subsidy does not cover the entire cost of your study. Students must pay the rest, called the 'student contribution amount'.

In a Commonwealth Supported Place, your fees are subsidised by the Australian Government. Your fees will be split into two portions:

- The Commonwealth contribution, which is the portion paid by the Australian Government.
- The student contribution, which is the portion you pay. You may choose to pay upfront or defer your student contribution with a HECS-HELP Loan.

Eligible students will be offered a CSP – you do not need to apply.

HECS-HELP

The HECS-HELP loan scheme assists eligible students with the payment of all, or part, of their tuition fees, not including

additional study costs such as accommodation or textbooks. Your HECS-HELP debt will be indexed each year in line with the Consumer Price Index.

For indicative fees and information on how to pay, including Government loan schemes and our online calculator, visit our [Fees Page \(https://www.notredame.edu.au/study/fees-costs-and-scholarships\)](https://www.notredame.edu.au/study/fees-costs-and-scholarships).
