Bachelor of Physiotherapy
School of Physiotherapy, Fremantle Campus

The Bachelor of Physiotherapy is a four-year, full-time degree that focuses on the physiotherapist-client relationship and is highly practical in its orientation. As a student in the School of Physiotherapy, you will undertake a comprehensive program, including specialised physiotherapy studies, behavioural and health sciences, and professional development. Upon graduation, you will be eligible for registration as a physiotherapist with the Australian Health Practitioner Registration Agency (AHPRA) and full membership of the Australian Physiotherapy Association.

Why study this degree?
Are you the kind of person who wants to make a career helping others be the best they can be? Do you dream of joining a profession that makes exciting therapeutic
advancements every day? Or perhaps you want to help top athletes recover from injury and regain their place in a top international sporting competition?

At Notre Dame, we explore every avenue of physiotherapy practice in your on-campus studies and through 1200 hours of clinical practice (practicum). This unique program has been integrated into your degree structure from the outset, and prepares you for formal clinical placements.

The formal clinical education program then commence in your second year, continues through your third year, and culminates in almost full-time clinical practice in your final year. You will develop clinical assessment and treatment skills in laboratories, simulated learning environments, and through exposure to patients in physiotherapy practices, hospitals or community health settings in both urban and rural centres.

Program summary
Core Curriculum

- Introduction to Philosophy
- Introduction to Theology
- Ethics and the Law

Year One

- Anatomy & Physiology of the Neuromusculoskeletal System A
- Soft Tissue Injury Management
- Developmental Psychology and Mental Health in Physiotherapy
• Anatomy & Physiology of the Neuromusculoskeletal System B
• Anatomy & Physiology of Body Systems
• Movement Sciences for Physiotherapy
• Principles of Clinical Rehabilitation

**Year Two**

• Research and Evidence in Physiotherapy
• Musculoskeletal Physiotherapy (Lower Limb)
• Medical Sciences
• Applied Neuroscience
• Cardiorespiratory Physiotherapy Sciences I
• Musculoskeletal Physiotherapy (Upper Limb)
• Physiotherapy in Gerontology
• Clinical Education I
• Physiotherapy in Gender Health

**Year Three**

• Musculoskeletal Physiotherapy (Spinal I)
• Rehabilitation for the Neurosciences
• Cardiorespiratory Physiotherapy Sciences II
• Physiotherapy in Paediatrics
• Musculoskeletal Physiotherapy (Spinal II)
• Clinical Education II and Practitioner Development

**Year Four**

• Clinical Education III
Clinical Education IV  
Clinical Education V  
Clinical Education VI  
Professional Issues in Physiotherapy Practice  
Complex Cases

More information about the courses can be found at the course descriptions (https://www.notredame.edu.au/about/schools/fremantle/physiotherapy/courses) page.

Full details of the program requirements are contained in the Program Regulations (https://www.notredame.edu.au/__data/assets/pdf_file/0016/4075/Bachelor-of-Physiotherapy.pdf).

Real-world experience
You will learn from academics who are industry leaders and, through our practicum placements and internship programs, you will gain real professional experience and make valuable contacts with potential employers.

Entry requirements
Academic requirements for this program are outlined below. In addition, to be eligible for admission, all applicants need to satisfy minimum requirements outlined at admission requirements (https://www.notredame.edu.au/study/admission-requirements). These include those relating to age and English Language Proficiency (https://www.notredame.edu.au/study/admission-requirements/english-language-proficiency-requirements). We also consider your application more broadly – your non-academic achievements (such as any previous leadership roles, volunteering, work, church...
and/or community involvement) as well as personal qualities - your aspirations and interests and your capacity to complete your chosen program.

Applicants with recent Secondary Education:

- Indicative ATAR of 90 or equivalent with a score of 50+ in ATAR English, ATAR Literature or ATAR English as an Additional Language or Dialect (EALD)
- Minimum International Baccalaureate (IB) score of 33
- In order to be a competitive applicant, it is strongly preferred that school leaver prospective students have studied at least one of the following ATAR courses:
  - Mathematics Specialist;
  - Mathematics Methods;
  - Human Biology;
  - Physics; and/or
  - Chemistry.

Additionally, students may find ATAR courses in Biology, Physical Education Studies and/or Mathematics Applications useful preparation for the Physiotherapy program.

Applicants with Higher Education Study:

Completion of at least one year of study (full-time equivalent) in another relevant undergraduate university program, with at least a 65% average grade or higher.
In order to be a competitive applicant, it is strongly preferred that mature age prospective students have studied in a health or science related area, at either an undergraduate or postgraduate level.

**Fees and costs**

This Program has the following loan scheme(s) available for eligible students:

**HECS-HELP**

HECS-HELP is a loan scheme intended for students enrolled in Commonwealth Supported Places. The scheme will pay your student contribution amounts, but not additional study costs such as accommodation or textbooks. Although there is no interest charged on HECS-HELP loans, your debt will be indexed each year in line with the Consumer Price Index.

For further information, or for indicative fees for domestic or international students, please visit our Fees Page (https://www.notredame.edu.au/study/fees).

**FEE-HELP**

The FEE-HELP loan scheme assists eligible fee-paying students with the payment of all, or part, of their tuition fees, not including additional study costs such as accommodation or textbooks. Your FEE-HELP debt will be indexed each year in line with the Consumer Price Index. Please note, from 1 January 2019, students studying an undergraduate program at the University of Notre Dame will no longer be charged the 25% FEE-HELP loan fee.
For further information, or for indicative fees for domestic or international students, please visit our Fees page (https://www.notredame.edu.au/study/fees).

**Career opportunities**
The following careers are open to graduates of this program:

- Cardiorespiratory
- Musculoskeletal
- Neurology
- Paediatrics
- Research
- Clinical
- Academic teaching

**Professional accreditation**
The fully accredited Physiotherapy course offers a formal curriculum that contains all of the elements required for professional registration. Graduates are eligible to register as physiotherapists with the Australian Health Practitioner Registration Agency (AHPRA) allowing them to work throughout Australia and New Zealand.

Registration allows graduates to work across all states and territories in Australia, with mutual recognition also permitting registration in New Zealand. Although each country has its own registration processes the standard of Australian physiotherapy qualification is highly regarded internationally.

**Student profile data**
Table 2 below gives an indication of the likely peer cohort for new students in this Program. It provides data on all students who commenced in this Program in the most relevant recent intake period, including those admitted through all offer rounds and international students studying in Australia.
