Bachelor of Marketing & Public Relations / Bachelor of Behavioural Science

School of Law & Business

Are you interested in a career in marketing and public relations? The University of Notre Dame Australia's Bachelor of Marketing & Public Relations/Bachelor of Behavioural Science will equip you with the practical and analytical skills to proactively engage with all stakeholders and promote any business. Traditional marketing methods have become less effective, and the rise of

digital formats has opened new and exciting corporate communication methods. Contact us today to start an exciting career pathway.

Why study this degree?

Throughout this four-year degree, you will cover various subjects such as Consumer Behaviour, Corporate Public Relations, Integrated Marketing Communications, Professional Writing, Developmental Psychology, Foundations of Human Behaviour, Organisational Behaviour and more.

This double degree will provide insights into aspects of psychology, political science, cultural studies and sociology to complement your studies in marketing and PR.

A Behavioural Scientist values human diversity and works collaboratively with communities to identify and advance the goals of the group and the individuals who comprise it.

Behavioural Science promotes the concept of wellbeing and aims to facilitate this at the individual, relational and community levels. Your knowledge and skills in business, marketing and PR will combine well with this people-centred focus.

Fees and costs

This Program has the following loan scheme(s) available for eligible students:

Commonwealth Supported Place (CSP)

A Commonwealth Supported Place (CSP) is a place at a university where the Australian Government pays part of your fees. This part is a subsidy, not a loan, and you don't have to pay it back. However, this subsidy does not cover the entire cost of your study. Students must pay the rest, which is called the 'student contribution amount'.

In a Commonwealth Supported Place, your fees are subsidised by the Australian Government. Your fees will be split into two portions:

The Commonwealth contribution, which is the portion paid by the Australian Government.

The student contribution, which is the portion you pay. You may choose to pay upfront or defer your student contribution with a HECS-HELP Loan. The [HECS-HELP loan scheme \(https://www.studyassist.gov.au/preview-link/node/106/5de65e70-6656-4297-a79d-19fd4a6deadd\)](https://www.studyassist.gov.au/preview-link/node/106/5de65e70-6656-4297-a79d-19fd4a6deadd) assists eligible students with the payment of all, or part, of their tuition fees, not including additional study costs such as accommodation or textbooks. Your HECS-HELP debt will be indexed each year in line with the Consumer Price Index.

Eligible students will be offered a CSP – you do not need to apply.

International Full-Fee Paying

Tuition costs depend on an international student's study load and discipline. Fees are payable each semester at least four weeks prior to the commencement of your program.

For indicative fees and information on how to pay, including Government loan schemes and our online calculator, visit our [Fees, costs and scholarships page](https://www.notredame.edu.au/study/fees-costs-and-scholarships) (<https://www.notredame.edu.au/study/fees-costs-and-scholarships>).
