

THE UNIVERSITY OF NOTRE DAME AUSTRALIA

Bachelor of Education (Secondary) / Bachelor of Behavioural Science

Bachelor of Education (Secondary) / Bachelor of Behavioural Science

School of Education

Are you passionate about teaching and guiding secondary students through their formative teenage years? The University of Notre Dame Australia's Bachelor of Education (Secondary) / Bachelor of Behavioural Science degree will give you qualifications to work with students aged 12 - 17 in Australian Catholic, Independent and Government schools. The five-year double degree has flexible full-time or part-time study options available. As part of your studies, you will complete 32 weeks of

school-based practical experience and choose a Major and Specialisation teaching area. Contact us today to start making a difference.

Why study this degree?

If your ambition is to teach in a secondary school environment, you will be well-prepared with our five-year Bachelor of Education (Secondary)/Bachelor of Behavioural Science degree. It is a well-rounded undergraduate program that combines theory, the latest teaching technology, and plenty of hands-on classroom experience. Working from a rigorous and practical curriculum, you will acquire the academic skills to teach secondary school students.

In addition, you will be required to choose one major teaching area such as English, Humanities and Social Sciences, Mathematics, Science or Religious Education. You will complete eight courses in your chosen major area, plus four courses in your chosen area of specialisation.

The Bachelor of Behavioural Science component of the double degree combines elements of psychology, political science, cultural studies, and sociology. Integrating specialised knowledge developed in these social science disciplines with a strong focus on critical psychology forges a connection between traditional psychology and social work. As a result, you will have the skills to work with the marginalised or disadvantaged in education and non-education settings.

The 32 weeks of supervised teaching (practicum) experience is integral to your degree. This is divided into two weeks of classroom immersion and teacher assistance

in your first year; one term with a particular focus on your Learning Area Major in your second and third years; one term with a special focus on your Learning Area Specialisation in your third year; and an internship in your final year which focuses on both your Learning Area Major and Specialisation, as well as Religious Education if you have chosen to complete your accreditation to teach Religious Education.

Our degree will provide the academic skills you need to support, engage, and extend secondary school children by integrating theory and practice. So get in contact with us today to enrol.

Please note: Education students in WA must sit the national Literacy and Numeracy Test for Initial Teacher Education Students (LANTITE). The test is administered externally by the Australian Council for Educational Research (ACER). You must register and pay for the test.

Fees and costs

This Program has the following loan scheme(s) available for eligible students:

Commonwealth Supported Place (CSP)

A Commonwealth Supported Place (CSP) is a place at a university where the Australian Government pays part of your fees. This part is a subsidy, not a loan, and you don't have to pay it back. However, this subsidy does not cover the entire cost of your study. Students must pay the rest, which is called the 'student contribution amount'.

In a Commonwealth Supported Place, your fees are subsidised by the Australian Government. Your fees will be split into two portions:

The Commonwealth contribution, which is the portion paid by the Australian Government.

The student contribution, which is the portion you pay. You may choose to pay upfront or defer your student contribution with a HECS-HELP Loan. The [HECS-HELP loan scheme \(https://www.studyassist.gov.au/preview-link/node/106/5de65e70-6656-4297-a79d-19fd4a6deadd\)](https://www.studyassist.gov.au/preview-link/node/106/5de65e70-6656-4297-a79d-19fd4a6deadd) assists eligible students with the payment of all, or part, of their tuition fees, not including additional study costs such as accommodation or textbooks. Your HECS-HELP debt will be indexed each year in line with the Consumer Price Index.

Eligible students will be offered a CSP – you do not need to apply.

International Full-Fee Paying

Tuition costs depend on an international student's study load and discipline. Fees are payable each semester at

least four weeks prior to the commencement of your program.

For indicative fees and information on how to pay, including Government loan schemes and our online calculator, visit our [Fees, costs and scholarships page](https://www.notredame.edu.au/study/fees-costs-and-scholarships) (<https://www.notredame.edu.au/study/fees-costs-and-scholarships>).
