

THE UNIVERSITY OF NOTRE DAME AUSTRALIA

Graduate Diploma of Mental Health

Graduate Diploma of Mental Health

School of Nursing & Midwifery

Developed after extensive consultation with the medical profession, our multi-disciplinary program is tailored to the needs of Registered Nurses and allied health who wish to build upon their mental health skills. To apply, you must have already completed a Graduate Certificate in Mental Health before enrolling in this one-year program, which involves essays, case studies, and problem-solving exercises. After the completion of this degree, you may wish to consider the Master of Nursing (Mental Health).

Why study this degree?

Like all our Nursing programs, the Graduate Diploma of Mental Health is highly practical in its focus and has been developed in close consultation with the medical

profession. If you are a Registered Nurse and have already completed your Graduate Certificate in Mental Health Nursing, you may wish to further develop your skills and knowledge by taking this one-year program.

Once enrolled, you will acquire a detailed understanding of contemporary practice, allowing you to progress your career in the growing area of mental health care.

Assessment is based on a combination of written assignments, case studies, and problem-solving exercises. Upon graduation, you will be equipped and ready to work in any mental health environment.
