Bachelor of Arts (Major: Applied Psychology)

School of Arts & Sciences

Are you interested in the science of human behaviour? The University of Notre Dame Australia's Bachelor of Arts with a Major in Applied Psychology offers a broad introduction covering topics such as cognition, belief and work, psychology, counselling and psychological intervention. General knowledge of psychology is valuable in many endeavours. It can give you an edge in professions such as teaching, law, business, human resource management, human and community services and administration. Contact us today to start your learning journey.

Why study this program?

The science of human behaviour is a fascinating and constantly evolving field of study with applications in many professional settings. Indeed, the demand for expertise in psychology continues to increase as the interaction between human beings becomes more complex, driven by sophisticated technology such as social media.

Our Bachelor of Arts with a Major in Applied Psychology has been designed for you if you wish to utilise your learnings in a workplace setting but do not wish to become a clinical psychologist.

Only a minority of those who study psychology work as psychologists, with most graduates working in areas as diverse as teaching, business and administration. This degree forms an important foundation for future employment and personal development.

Fees and costs

This Program has the following loan scheme(s) available for eligible students:

Commonwealth Supported Place (CSP)

A Commonwealth Supported Place (CSP) is a place at a university where the Australian Government pays part of your fees. This part is a subsidy, not a loan, and you don't have to pay it back. However, this subsidy does not cover the entire cost of your study. Students must pay the rest, which is called the 'student contribution amount'.

In a Commonwealth Supported Place, your fees are subsidised by the Australian Government. Your fees will be split into two portions:

The Commonwealth contribution, which is the portion paid by the Australian Government.

The student contribution, which is the portion you pay. You may choose to pay upfront or defer your student contribution with a HECS-HELP Loan. The [HECS-HELP loan scheme](https://www.studyassist.gov.au/preview-link/node/106/5de65e70-6656-4297-a79d-19fd4a6deadd) (<https://www.studyassist.gov.au/preview-link/node/106/5de65e70-6656-4297-a79d-19fd4a6deadd>) assists eligible students with the payment of all, or part, of

their tuition fees, not including additional study costs such as accommodation or textbooks. Your HECS-HELP debt will be indexed each year in line with the Consumer Price Index.

Eligible students will be offered a CSP – you do not need to apply.

International Full-Fee Paying

Tuition costs depend on an international student's study load and discipline. Fees are payable each semester at least four weeks prior to the commencement of your program.

For indicative fees and information on how to pay, including Government loan schemes and our online calculator, visit our [Fees, costs and scholarships page](https://www.notredame.edu.au/study/fees-costs-and-scholarships) (<https://www.notredame.edu.au/study/fees-costs-and-scholarships>).
