Bachelor of Arts (Major: History)

Do you have a desire to understand the people and events that have shaped the modern world? The University of Notre Dame Australia's Bachelor of Arts with a Major in History will provide a rigorous study of history to help you comprehend the world's complexities today. Notre Dame's Bachelor of Arts with a Major in History offers a broad perspective, which will encourage you to critically approach a range of topics, including the West's interactions with diverse non-Western cultures, to think critically about issues such as gender relations and post-colonialism and to rethink what it means to be Western in the global 21st century. Contact us today to find out more.

Why study this major?

If you are interested in a broad view of history rather than a study of long-forgotten civilisations, our degree will give you deep insights into history that is vital for our understanding of the modern world. Only by studying our past and taking note of the various factors that inspired historical events can we appreciate the economic, cultural, and religious forces that have shaped our society and those of many other nations.

You will study history ranging from classical Greece and Rome to the Enlightenment, from ancient civilisations in Asia to the rise of American global influence. Our History Major places a strong emphasis on historiography using a range of texts, both visual and written.

Special attention is paid to Australia and its Pacific context, the classical world and its impact on the early modern and modern worlds, and medieval Europe and its interaction with non-

Europeans, especially Jewish and Islamic peoples.

Upon graduation, you will not only gain a powerful insight into the events and personalities on which the modern world is founded and a deep understanding of the lived experience of past people but also learn necessary research and analytical skills which you can apply in a range of occupations and professions.

Completing a Bachelor of Arts with a History Major allows you to work almost anywhere in the world. You might decide to travel during your degree, with both long and short-term opportunities available through our Study Abroad or Experience the World programs.

Fees and costs

This Program has the following loan scheme(s) available for eligible students:

Commonwealth Supported Place (CSP)

A Commonwealth Supported Place (CSP) is a place at a university where the Australian Government pays part of your fees. This part is a subsidy, not a loan, and you don't have to pay it back. However, this subsidy does not cover the entire cost of your study. Students must pay the rest, which is called the 'student contribution amount'.

In a Commonwealth Supported Place, your fees are subsidised by the Australian Government. Your fees will be split into two portions:

The Commonwealth contribution, which is the portion paid by the Australian Government.

The student contribution, which is the portion you pay. You may choose to pay upfront or defer your student contribution with a HECS-HELP Loan. The HECS-HELP loan scheme (<https://www.studyassist.gov.au/preview-link/node/106/5de65e70-6656-4297-a79d-19fd4a6deadd>) assists eligible students with the payment of all, or part, of their tuition fees, not including additional study costs such as accommodation or textbooks. Your HECS-HELP debt will be indexed each year in line with the Consumer Price Index.

Eligible students will be offered a CSP – you do not need to apply.

International Full-Fee Paying

Tuition costs depend on an international student's study load and discipline. Fees are payable each semester at least four weeks prior to the commencement of your program.

For indicative fees and information on how to pay, including Government loan schemes and our online calculator, visit our Fees, costs and scholarships page (<https://www.notredame.edu.au/study/fees-costs-and-scholarships>).
