Bachelor of Arts (Second Major: Philosophy)

If you are interested in all the important questions: Who am I? Why are we here? What is the meaning of life? The study of philosophy deals with some of the most important questions facing humans. The University of Notre Dame Australia's Bachelor of Arts with a Major in Philosophy tackles these complex issues. You will grow and develop your critical thinking skills by carefully examining great philosophical works. Get in contact today to start exploring.

Why study this major?

Philosophical thought is central to how we see ourselves and the wider world. Our Bachelor of Arts with a Major in Philosophy provides a detailed introduction to the Western philosophical tradition from the Ancient World until now. Along the way, you will grapple with some of the thorniest questions in moral philosophy, learn basic philosophical reasoning, and develop your capacity for critical thinking and clear expression.

In Years Two and Three, you can pursue your philosophical interests by choosing from a wide range of topics, including Business Ethics, Formal Logic, Metaphysics, Philosophy of Religion and Epistemology. You will also examine the work of prominent thinkers such as Thomas Aquinas and learn to evaluate arguments about truth, reality, and various belief systems.

While only a few philosophy graduates pursue careers as professional philosophers, the considerable skills acquired, and knowledge gained apply in many occupations. As a graduate of a Bachelor of Arts (Major: Philosophy), you will have the

analytical and critical skills necessary to succeed in academic research, business management, policy development, politics, journalism, international trade, and diplomacy.

Fees and costs

This Program has the following loan scheme(s) available for eligible students:

Commonwealth Supported Place (CSP)

A Commonwealth Supported Place (CSP) is a place at a university where the Australian Government pays part of your fees. This part is a subsidy, not a loan, and you don't have to pay it back. However, this subsidy does not cover the entire cost of your study. Students must pay the rest, which is called the 'student contribution amount'.

In a Commonwealth Supported Place, your fees are subsidised by the Australian Government. Your fees will be split into two portions:

The Commonwealth contribution, which is the portion paid by the Australian Government.

The student contribution, which is the portion you pay. You may choose to pay upfront or defer your student contribution with a HECS-HELP Loan. The HECS-HELP loan scheme (<https://www.studyassist.gov.au/preview-link/node/106/5de65e70-6656-4297-a79d-19fd4a6deadd>) assists eligible students with the payment of all, or part, of their tuition fees, not including additional study costs such as accommodation or textbooks. Your HECS-HELP debt will be indexed each year in line with the Consumer Price Index.

Eligible students will be offered a CSP – you do not need to apply.

International Full-Fee Paying

Tuition costs depend on an international student's study load and discipline. Fees are payable each semester at least four weeks prior to the commencement of your program.

For indicative fees and information on how to pay, including Government loan schemes and our online calculator, visit our Fees, costs and scholarships page (<https://www.notredame.edu.au/study/fees-costs-and-scholarships>).
