Master of Business Administration

School of Law & Business

Our Master of Business Administration (MBA) is designed for current and aspiring leaders who want to develop their business knowledge, critical thinking and analytical skills. The curriculum emphasises experiential learning through case studies, simulations and real-world projects. Offering flexible entry pathways, the MBA can be completed in 18 months with recognition of prior learning.

Why study this degree?

A Master of Business Administration is the ideal degree for those who want to excel. Thanks to the superior skills and insights they bring to the workplace, MBA graduates often receive a significantly higher salary as well as a greater variety of career opportunities. For budding entrepreneurs, this program will show you how to launch, run, and grow your business.

The program allows you to advance your career while developing a network of business professionals. Compulsory courses cover foundational business concepts, and electives enable you to tailor the degree to your specific needs and interests.
