# **Bachelor of Commerce (Major: Accounting)**

***Give yourself the competitive edge with our Bachelor of Commerce with a Major in Accounting. The program provides a thorough grounding in the basics of business and economics alongside more specific skills in accounting and finance. The degree is endorsed by the National Institute of Accountants and accredited by CPA Australia and the Institute of Chartered Accountants Australia. Contact us today to start your education journey.***

## **Why study this degree?**

As key players in business and finance, accountants are increasingly required to take on leadership roles and champion new technology, accounting concepts and strategies. The University of Notre Dame Australia's Bachelor of Commerce with a Major in Accounting offers individual learning and small class sizes to ensure that you are fully prepared to enter the workforce.

With regular guest speakers and field trips, this program provides total immersion in the business world. Highlights include field trips, visiting guest speakers and our much-admired "embedded internship" system which allows students to gain valuable working experience – and useful contacts – in an industry or business sector of their choice. In the past, many of our students have gone on to work for the same company after graduation.

Often called a "global passport", your accounting qualification from The University of Notre Dame Australia will open doors in a variety of industries across the public, private and not-for-profit sectors both within Australia and across the globe.

## **Fees and costs**

This Program has the following loan scheme(s) available for eligible students:

### **Commonwealth Supported Place (CSP)**

A Commonwealth Supported Place (CSP) is a place at a university where the Australian Government pays part of your fees. This part is a subsidy, not a loan, and you don't have to pay it back. However, this subsidy does not cover the entire cost of your study. Students must pay the rest, which is called the 'student contribution amount'.

In a Commonwealth Supported Place, your fees are subsidised by the Australian Government. Your fees will be split into two portions:

The Commonwealth contribution, which is the portion paid by the Australian Government.

The student contribution, which is the portion you pay. You may choose to pay upfront or defer your student contribution with a HECS-HELP Loan. The [HECS-HELP loan scheme \(https://www.studyassist.gov.au/preview-link/node/106/5de65e70-6656-4297-a79d-19fd4a6deadd\)](https://www.studyassist.gov.au/preview-link/node/106/5de65e70-6656-4297-a79d-19fd4a6deadd) assists eligible students with the payment of all, or part, of their tuition fees, not including additional study costs such as accommodation or textbooks. Your HECS-HELP debt will be indexed each year in line with the Consumer Price Index.

Eligible students will be offered a CSP – you do not need to apply.

### **International Full-Fee Paying**

Tuition costs depend on an international student's study load and discipline. Fees are payable each semester at least four weeks prior to the commencement of your program.

For indicative fees and information on how to pay, including Government loan schemes and our online calculator, visit our [Fees, costs and scholarships page](https://www.notredame.edu.au/study/fees-costs-and-scholarships) (<https://www.notredame.edu.au/study/fees-costs-and-scholarships>).
