Graduate Certificate in International Baccalaureate Education

School of Education

Do you wish to boost your employability in the education sector? The University of Notre Dame Australia's International Baccalaureate program allows you to investigate the principles and practices associated with either the IB Primary Years Programme (PYP 3-12yrs) or the Diploma Programme (DP 16-19yrs). Upon completing the Graduate Certificate, you can apply to the IB for the IB certificate in teaching and learning in either IB PYP or IB DP, which are internationally recognised and develop globally minded teachers.

Why study this program?

For over 40 years, International Baccalaureate has offered professional development for aspiring leaders of IB Education. The IB educator certifications are internationally recognised and have a global reputation for their high academic standards and the goal of developing future citizens who will create a better and more peaceful world. Through studies in International Baccalaureate Education, you will be able to:

Boost your employability globally: IB schools employ over 70,000 educators, teaching more than one million students worldwide in over 100 countries. Through the IB programme, you can help to prepare students for living and working in a complex, highly interconnected world.

Access high-quality professional development resources: Gain access to a high-quality education that will help you develop your IB knowledge and understanding and have full access to the IB Programme Resource Centre.

Fees and costs

This Program has the following loan scheme(s) available for eligible students:

Commonwealth Supported Place (CSP)

A Commonwealth Supported Place (CSP) is a place at a university where the Australian Government pays part of your fees. This part is a subsidy, not a loan, and you don't have to pay it back. However, this subsidy does not cover the entire cost of your study. Students must pay the rest, which is called the 'student contribution amount'.

In a Commonwealth Supported Place, your fees are subsidised by the Australian Government. Your fees will be split into two portions:

The Commonwealth contribution, which is the portion paid by the Australian Government.

The student contribution, which is the portion you pay. You may choose to pay upfront or defer your student contribution with a HECS-HELP Loan. The [HECS-HELP loan scheme \(https://www.studyassist.gov.au/preview-link/node/106/5de65e70-6656-4297-a79d-19fd4a6deadd\)](https://www.studyassist.gov.au/preview-link/node/106/5de65e70-6656-4297-a79d-19fd4a6deadd)

assists eligible students with the payment of all, or part, of their tuition fees, not including additional study costs such as accommodation or textbooks. Your HECS-HELP debt will be indexed each year in line with the Consumer Price Index.

Eligible students will be offered a CSP – you do not need to apply.

Domestic Fee-Paying

A domestic fee-paying place is a place at university where the student is responsible for the full cost the program.

Eligible domestic fee-paying students may apply for the FEE-HELP loan scheme (<https://www.studyassist.gov.au/preview-link/node/108/a39069a0-c0d9-4ed5-ad8e-1df4d43a987a>) which assists eligible fee-paying students with the payment of all, or part, of their tuition fees, not including additional study costs such as accommodation or textbooks. Your FEE-HELP debt will be indexed each year in line with the Consumer Price Index.
