# Graduate Certificate in International Baccalaureate Education

*School of Education*

***This program provides students the opportunity to investigate the principles and practices associated with either the IB Primary Years Programme (PYP 3-12yrs) or the Diploma Programme (DP 16-19yrs). Upon successful completion of the Graduate Certificate, graduates will be able to apply to the IB for the IB certificate in teaching and learning in either IB PYP or IB DP, which are internationally recognised and develop globally minded teachers.***

## **Why study this program?**

For over 40 years International Baccalaureate has offered professional development for aspiring leaders of IB Education. The IB educator certifications are internationally recognised and have a global reputation for their high academic standards and the goal of

developing future citizens who will create a better and more peaceful world. Through studies in International Baccalaureate Education you will be able to:

**Boost your employability globally:** IB schools employ over 70,000 educators, teaching more than one million students worldwide in over 100 countries. Through the IB programme, you can help to prepare students for living and working in a complex, highly interconnected world.

**Access high-quality professional development resources:** Gain access to a high-quality education that will help you develop your IB knowledge and understanding, and have full access to the IB Programme Resource Centre.
