Start your legal career today.***

## **Why study this degree?**

The Bachelor of Laws (Graduate Entry) degree is an accelerated program aimed at students who already have a Bachelor's degree in another field. It is designed to be completed as an accelerated program over three years of full-time study, with five subjects taken per semester in the first two years and four subjects per semester in your final year.

The program has been designed in collaboration with eminent judges, senior barristers and leading solicitors to create an academically challenging and efficient curriculum. In addition, the School of Law continues to call on prominent members of the profession to assist in teaching, adding to the efficient nature of legal education at Notre Dame.

Through our Legal Clinic, mentoring program, courtroom visits, mooting and internship programs, our law students have multiple opportunities to experience the law in practice. Furthermore, you cultivate professional legal skills, including negotiation, advocacy and alternative dispute resolution within small, interactive class settings.

Students are also encouraged to learn outside the classroom by participating in law competitions and attending professional development events such as our prestigious Eminent Speakers Series. This forum connects students and graduates with leading experts in discussing contemporary legal and professional matters.

## **Fees and costs**

This Program has the following loan scheme(s) available for eligible students:

### **Commonwealth Supported Place (CSP)**

A Commonwealth Supported Place (CSP) is a place at a university where the Australian Government pays part of your fees. This part is a subsidy, not a loan, and you don't have to

pay it back. However, this subsidy does not cover the entire cost of your study. Students must pay the rest, which is called the 'student contribution amount'.

In a Commonwealth Supported Place, your fees are subsidised by the Australian Government. Your fees will be split into two portions:

The Commonwealth contribution, which is the portion paid by the Australian Government.

The student contribution, which is the portion you pay. You may choose to pay upfront or defer your student contribution with a HECS-HELP Loan. The HECS-HELP loan scheme (<https://www.studyassist.gov.au/preview-link/node/106/5de65e70-6656-4297-a79d-19fd4a6deadd>) assists eligible students with the payment of all, or part, of their tuition fees, not including additional study costs such as accommodation or textbooks. Your HECS-HELP debt will be indexed each year in line with the Consumer Price Index.

Eligible students will be offered a CSP – you do not need to apply.

For indicative fees and information on how to pay, including Government loan schemes and our online calculator, visit our Fees, costs and scholarships page (<https://www.notredame.edu.au/study/fees-costs-and-scholarships>).
