2 AMENDMENTS

Amendments to these requirements will be made in accordance with the General Regulations.

Version	Date Amended	Amendment Details	Approved by
1	December 2022	Created	Academic Council
2	May 2024	Addition of campus and a health stream	Academic Council
3	November 2024	Addition of UniPath Plus Program	Academic Council
4	February 2026	Update of maximum duration and entry requirements	Academic Council
5	May 2026	Update of available courses for UniPath Plus Program	Academic Council

3 PURPOSE

These Program Requirements set out the approved requirements for UniPath.

4 OVERVIEW

4.1 Campus Availability
UniPath has been approved for delivery on the Fremantle, Broome and Sydney campuses and its satellite sites.
UniPath Plus has been approved for delivery on the Fremantle campus only for 2025 and 2026.

4.2 Student Availability
UniPath is available for enrolment to domestic year 11 and year 12 high school students.
UniPath Plus is available to domestic year 12 high school students.

4.3 Australian Qualifications Framework
UniPath is not an AQF qualification.

4.4 Duration

4.4.1 The Volume of Learning for UniPath is one semester (12 weeks). Study is full-time. Part-time study is not available.

4.4.2 The Volume of Learning for UniPath Plus is 2 semesters (2 x 12 weeks). Study is full-time for semester 1 and part-time study is not available. Study is part-time only in semester 2.

4.5 Maximum Duration

4.5.1 The maximum period of time within which a student is permitted to complete UniPath is two semesters from the date on which they were first enrolled into the program by the University.

4.5.2 The maximum period of time within which a student is permitted to complete UniPath Plus is three semesters from the date on which they were first enrolled into the program by the University. If a student is unsuccessful in passing the undergraduate course in semester 2, they cannot repeat the course.

4.6 Study Mode
UniPath and UniPath Plus are offered in internal study mode only.

4.7 Professional Accreditation
There are no professional accreditation requirements applicable to this Program.

5 ENTRY REQUIREMENTS

5.1 University Admission Requirements
To be eligible for admission to The University of Notre Dame Australia, all applicants must meet the University's minimum requirements for admission. The requirements for admission are detailed in the University's Policy: *Admissions.*

5.2 Specific Program Requirements for Admission
To be eligible for admission to UniPath applicants must also meet the following specific requirements.

Western Australia

If you are a general pathway student, you will require:

- Minimum 4 general subjects of which one must be English
- Minimum C grade in English

- For general subjects mostly B grades (will accept a maximum of 2 C grades)
- Principal or teacher's recommendation

If you are an ATAR and General pathway student, you will require:

- Minimum of 4 subjects (can be a mix of ATAR and general) of which one must be English
- For ATAR subjects, mostly C grades (will accept 3 C grades)
- For General subjects, mostly B grades (will accept a maximum of 2 C grades)
- Principal or teacher's recommendation

To be eligible for admission to UniPath Plus applicants must meet the above specific requirements and have completed semester 1 successfully to be able to continue into semester 2 (and enrol in an undergraduate course).

New South Wales

If you are an ATAR and General pathway student, you will require:

- Minimum of 4 HSC subjects of which one **must** be English
- Minimum C grade across all subjects
- Principal or teacher's recommendation

As this is a partnership between your School and the University of Notre Dame, your School must recommend you as eligible for the program before you apply.

6 PROGRAM REQUIREMENTS

6.1 Program Description

UniPath is a pathway program that provides year 11 and year 12 students aiming for university a pathway to University. The program is designed to provide students with the fundamental skills and knowledge to transition competently into an undergraduate program. The program aims to develop research and academic writing skills, essential mathematics skills, and clear and effective communication skills. students learn about being ethical scholars, academic integrity, incorporating research in their writing and writing in an academic tone. Working in teams, presenting, time management, conflict resolution, critical thinking and notetaking are just some of the skills they learn in the communication skills course. UniPath will assist students to develop an understanding of different systems of knowledge, methods of learning and strategies for success and how to become an independent learner in a university environment. Further, UniPath will provide students with the skills and confidence to undertake an undergraduate program in a higher education environment.

6.2 Program Learning Outcomes

Upon successful completion of UniPath graduates will be able to:

1. Demonstrate an understanding of academic, personal, and ethical requirements for university learning
2. Demonstrate effective oral, literacy and numeracy communication skills
3. Demonstrate the ability to undertake a formulated writing process, including planning, research, writing and editing
4. Identify, locate, and evaluate relevant sources of information.
5. Participate in a group or team project that demonstrate effective interpersonal and collaborative learning practices (either face to face or online)
6. Apply mathematical reasoning skills and solve practical problems in a variety of contexts

7. Demonstrate competency by communicating strategies using appropriate mathematical language when solving problems

6.3 Required Courses

6.3.1 To successfully complete UniPath students must complete a minimum of 75 Units of Credit (Course list provided in Appendix A) as well as ENAB0100 Learning for University during orientation week. ENAB0100 is compulsory, non-credit bearing course.

6.3.2 To successfully complete UniPath Plus students must successfully complete all UniPath courses (a minimum of 75 Units of Credit as well as ENAB0100 Learning for University) (Course list provided in Appendix A).

In addition students will complete one 25 credit bearing first semester undergraduate courses (Course list provided in Appendix B).

6.4 Elective Courses

There are no elective courses in UniPath (general stream).

In UniPath (health stream) students will either enrol in ENAB0002 Essential Mathematics or ENAB0001 Communication Skills.

UniPath Plus students can select one of the elective undergraduate courses on offer (course list provided in Appendix B).

6.5 Course substitutions

There are no approved course substitutions permitted in this program.

7 DEFINITIONS

For the purpose of these Requirements, the following definitions are available in the General Regulations.

- Leave of Absence
- Major
- Units of Credit
- Pre-requisite Course
- Minor
- Elective
- Co-requisite Course
- Specialisation
- General Elective

8 LIST OF APPENDICES

APPENDIX A: UniPath (general stream) & (health stream)

One semester program		
Semester One		
Course Code	**Course Title**	**Units of credit**
Required Courses for general stream		
ENAB0100*	Learning for University*	0
ENAB0004	Research and Academic Writing	25
ENAB0002	Essential Mathematics	25
ENAB0001	Communication Skills	25
Required courses for health stream	Foundations of Human Biology for health stream	25
ENAB0100	Learning for University*	
ENAB0004	Research and Academic Writing	25
ENAB0008	Foundations of Human Biology	25
Elective courses for health stream		
ENAB0002	Essential Mathematics	25
ENAB0001	Communication Skills	25
	Total Units of Credit for semester of study	75

* Students are required to undertake and complete ENAB0100 during orientation week before week 1 of semester.

APPENDIX B: UniPath Plus

One semester program		
Semester One		
Course Code	**Course Title**	**Units of credit**
Students complete either UniPath (general stream) or UniPath (health stream) as above		
	Total Units of Credit for semester of study	75
Semester Two		
Students can enrol in 1 of the following courses		
HLTH1000	Human Structure and Function	25
HLTH1150	Academic Research and Writing in Health Sciences	25
CORE000	Foundations of Wisdom	25
	Total Units of Credit for semester of study	25
